	Form 990, Part VI, Section B, line 15a	The process for determining compensation for the Executive Director (ED) is the responsibility of the Organization's eight member Compensation Committee. Six of the members are independent trustees and two are independent directors of the NDSU Alumni Association. The committee annually reviews mutually determined goals and objectives of the incumbent. Salary adjustments are based on a review of similar positions at 19 peer institutions, as determined by the ND State Board of Higher Education. In making salary recommendations, the committee takes advantage of information compiled annually by the College and University Personnel Association (CUPA) for those peer institutions. In turn, the ED evaluates four direct reports using mutually agreed to goals and objectives for each person. The CUPA report is used for salary comparisons for similar positions at peer institutions. The ED's recommendation on salary is forwarded to the Committee for review and approval. As part of the annual budget, all salaries are then approved, in turn, by the Finance Committee and the Executive Committee.
