Identifier	Return Reference	Explanation
Part I, Line 3		The foundation relied on a related organization, Catholic Healthcare West, that used one or more of the methods described in Schedule J, Part I, Line 3, to establish the Organization's top management official's compensation. See Schedule O disclosure for Form 990, Part VI, Section B, Line 15 for additional information.
PART I, LINE 4a		The organization's key employees and certain officers and highly compensated employees participate in a severance plan that provides market-standard compensation, ranging from payments of 6 months to 2 years of base compensation, depending on the executive's position, in the event of a position elimination or other involuntary termination, in accordance with the guidelines of the plan. No payments were made to any listed persons during 2010 pursuant to this plan.
PART I, LINE 4b		Certain listed persons hired prior to June 30, 2006 are eligible to participate in the 2007 CHW Executive Deferred Compensation Plan, a nonqualified 457(f) plan that is subject to substantial risk of forfeiture, as required by the IRS. The 2007 Executive Deferred Compensation Plan is intended to bridge the difference, if any, between the benefit provided under the CHW Excess Benefit Plan had benefit service not been frozen at January 1, 2008, and the benefits provided from all other qualified and non-qualified plans. No benefit under this formula will vest under this 457(f) plan before the attainment of age 62 or the completion of 15 years of service. No payments were made under this plan during 2010. Certain listed persons participate in the CHW Excess Benefit Plan, a nonqualified supplemental benefit plan limited to participants in the CHW retirement plan whose benefits are affected by the limitations imposed by Sections 401(a)(17) and 415 of the Internal Revenue Code. Benefit service under this plan was frozen as of January 1, 2008. No payments were made to any listed persons during 2010 pursuant to this plan. Certain listed persons participate in the CHW Key Employee Share Option Plan (KEYSOP), which was frozen in May 2002. The KEYSOP program was established in 2001 with the purpose of providing income deferral opportunities to employees eligible for the company's key employee retention program. No payments were made to any listed persons during 2010 pursuant to this plan. Certain officers and key employees participate in the CHW Supplemental Executive Retention/Retirement Plan, a nonqualified supplemental benefit plan which in 2002 was offered to members of the executive management team by the CHW Board of Directors and would be paid only if the executives stayed with the organization for a specified number of years as the primary purpose of this plan is to provide for the retention and retirement of the participants. The executive management team was recruited from stable careers in organizations from across the country and from various industries to engineer and lead a financial and operational turnaround after the organization had lost nearly \$1 billion in net operating performance. The calculation for the payments to each executive is based on the value of a final average pay annuity benefit based on retirement age and service years to the organization. Distribution occurs each July 1 if the plan formula warrants a payment. Vested amounts are reported as deferred compensation in the year vesting occurs (column C) and are reflected again as reportable compensation in the year paid (column B(iii)). Payments made during 2010 pursuant to this plan include \$201,590 to M. Blaszyk.
PART II, SUPPLEMENTAL DISCLOSURES		Although the organization does not directly employ any personnel, the supported organization's executive compensation philosophy is designed to assist in attracting and retaining the caliber of executives required to fulfill the organization's mission of providing high quality healthcare for all persons regardless of their ability to pay for services, improving the quality of life in the communities the organization serves, promoting employee satisfaction, and ensuring financial stability. A substantial portion of executive compensation is performance based and is linked to organizational goals approved in advance by the Compensation and Benefits Committee. These goals include attainment of annual and long-term financial performance, certain healthcare quality standards and the organization's commitment to serving the poor and disenfranchised in the communities it serves. The Compensation and Benefits Committee targets the 75th percentile of the market in which the organization competes for executives, commensurate with the size of the organization.
