Hoover Family Foundation

GUIDELINES FOR GRANT APPLICATIONS

The Hoover Family Foundation was founded in 1992 to assist non-profit tax-exempt organizations in the social service and education areas to improve the quality of life and foster self-sufficiency. The foundation focuses on funding organizations located in and providing services to the residents of the metropolitan areas where the foundation is located -- Portland, Oregon and Indianapolis, Indiana.

Our guidelines are specific: Our Indiana location only funds organizations that provide services in and around Indianapolis. Our Oregon location only funds organizations that provide services within the Urban Growth Boundary of the Portland metropolitan area. ***(Click here for a map).***

Our knowledge of organizations in these areas and the issues facing them is important to us, so we must stand by these geographic restrictions.

Priorities of Interest

- *Organizations located and providing services in the Hoover family areas: Portland, Oregon (map), and Indianapolis, Indiana*
- *Programs that aid poverty level and minority groups*
- *Programs that foster individual/community self-sufficiency*

- *Programs that foster individual/community self-sufficiency*
- *Effective providing of social services*
- *Improvement of educational opportunities at all levels*

We do not make grants:

- *To individuals*
- *For sectarian or religious purposes*
- *For capital campaigns*
- *For event funding*
- *For multi-year funding*
- *For college scholarships*
- *For lobbying or political purposes*
- *For medical research*
- *To private foundations or endowment funds*
- *In support of regular operating budgets*
- *To provide long-term funding or post-event funding*

Evaluation of proposals is based on:

- *Ability to fulfill a community need for an under-served population in Portland*
- *Feasibility and soundness of your implementation plan*
- *A well-thought-out evaluation plan*
- *Viability of subsequent long-term funding*

With limited resources and a large number of applications, the foundation is able to fund only a small portion of the *many worthwhile requests submitted. Those constraints also limit the size of particular grants and the ability to fund on an annual basis.*

Grant Application Steps

Step 1

Prepare a cover sheet. For a PDF cover sheet click here. For a cover sheet in Word, click Oregon or Indiana, depending on which location you are applying to. The cover sheet includes the following:

- Organization name
- Date of application
- Complete mailing address
- Phone and fax numbers
- E-mail and web site address
- Contact person in your organization
- Brief description of the proposed grant (2-3 sentences)
- Amount requested
- Signature of responsible officer of organization

Step 2

Answer the following questions in a response of **three to seven**

pages. *Please note that we receive many applications that are too short and lack the detail sufficient for serious consideration.*

a) Describe how the proposed program/project will operate

b) What are the basic needs and objectives to be met by this program/project? Include estimates of the number of people to be served.

c) How does this project foster self-sufficiency for your participants?

d) How does this proposed grant meet the foundations funding priorities?

e) What measurable results/outcomes do you expect to report to the Hoover Family Foundation, and how will these results be measured? Be specific.

f) Why is your organization the appropriate group to meet these needs and deliver these services? Include discussion of the organization's mission, history, staff strengths, etc.

g) How will this effort be sustained when the Hoover Family Foundation funding ceases?

h) What other funders are involved in the support of this effort?

Step❸

Attach all of the following items to the grant application:

■ Proposed budget for the grant project, including both the overall project budget and the foundations portion of that budget

■ Current fiscal year's operating budget

■ Most recent audited financial statement or IRS 990

■ List of organization's board of directors with affiliations

■ Current 501(c)(3) letter of determination

Step❹

Evaluation of proposals is based on:

■ Ability to fulfill a community need for an under-served population in Portland

■ Feasibility and soundness of your implementation plan

■ A well-thought-out evaluation plan

■ Viability of subsequent long-term funding

With limited resources and a large number of appeals, the foundation is only able to fund a small portion of the many worthwhile requests received. Those constraints also limit the size of grants and the ability to fund on an annual basis.

Step ❺

Mail **three (3)** collated copies of the entire completed application (including all attachments) to the appropriate foundation office. Grant requests for Oregon organizations go to the Oregon office, Indiana requests to the Indiana office. Faxes and emails will not be accepted. Please do not send videos or binders. Also do not drop off applications at the Oregon office. We cannot guarantee that the application will be received. Incomplete applications will not be considered.
