## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
United Way of Rock River Valley  
Rockford, Illinois

We have audited the accompanying statement of financial position of United Way of Rock River Valley as of June 30, 2011, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Organization's 2010 financial statements, which were audited by Lindgren, Callihan, Van Osdol & Co, Ltd., whose practice was acquired by Wipfli LLP as of October 1, 2010 whose report dated September 24, 2010, expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Rock River Valley as of June 30, 2011, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**UNITED WAY OF ROCK RIVER VALLEY**  
**NOTES TO FINANCIAL STATEMENTS**

June 30, 2011

**Note 1. Significant Accounting Policies**

**Nature of Activities:**

The Organization was formed to conduct annual campaigns throughout the year to raise support for subsequent grants to participating agencies in Winnebago and Ogle Counties in Illinois. Pledges, primarily from residents and businesses of northern Illinois communities, are recorded in the statement of financial position as pledges receivable, and allowances are provided for amounts estimated to be uncollectible.

**Basis of Presentation:**

Net assets, revenues, support, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of United Way of Rock River Valley and changes therein are classified and reported as follows:

**Unrestricted net assets:**

Net assets that are not subject to donor-imposed stipulations. The Board has designated an amount that requires Board approval prior to use. The balance of the unrestricted net assets are undesignated.

**Temporarily restricted net assets:**

Net assets subject to donor-imposed stipulations that may or will be met either by actions of United Way of Rock River Valley and/or the passage of time.

**Permanently restricted net assets:**

Net assets subject to donor-imposed stipulations that they be maintained permanently by United Way of Rock River Valley. Generally, the donors of these assets permit all or part of the income earned on related investments for unrestricted or temporarily restricted purposes.

**Basis of accounting:**

The Organization follows standards for accounting and financial reporting prescribed for voluntary health and welfare agencies. The financial statements are on the accrual basis of accounting in which revenue is recognized when earned and expenses are recognized when incurred.

**Contributed support:**

The Organization recognizes all contributed support received as income in the period received. Contributed support is reported as unrestricted or as restricted depending on the existence of donor stipulations that limit the use of the support. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized.

**NOTES TO FINANCIAL STATEMENTS**  
June 30, 2011  
(CONTINUED)

**Note 1. Significant Accounting Policies (Continued)**

**Contributed support (Continued):**

Long-lived assets acquired with gifts of cash restricted for those acquisitions are reported as unrestricted or as temporarily restricted depending on whether there is an explicit, donor-imposed time requirement as to how long the assets must be maintained. Absent any donor-imposed time requirement, the Organization reports expirations of donor restrictions when long-lived assets are placed in service.

Campaign funding designated for other organizations is not included in the total revenue and support on the statement of activities. Such amounts are deemed revenue and support of the recipient organization.

**Allowance for Doubtful Accounts**

The Organization uses the allowance method to record possible uncollectible campaign pledges receivable.

**Donated Services and Other In-Kind Support:**

The Organization records in-kind support for professional services and materials when received. Contributed professional services are recognized if the services (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributions of tangible property are recognized at fair market value when received. The Organization receives a significant amount of skilled, contributed time in the Organization's program services and in its fundraising campaigns which does not meet the criteria described above. Accordingly, the value of this contributed time is not reflected in the accompanying financial statements.

**Use of Estimates:**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Cash and Cash Equivalents:**

For purposes of reporting the statements of cash flows, the Organization includes all cash accounts, which are not subject to withdrawal restrictions or penalties, and all certificates of deposit with an original maturity of three months or less as cash and cash equivalents on the accompanying statements of financial position.

**NOTES TO FINANCIAL STATEMENTS**

June 30, 2011  
(CONTINUED)

**Note 1. Significant Accounting Policies (Continued)**

**Grants Payable:**

Grants of support to United Way funded organizations are determined on an annual basis. The Organization communicates the support grant commitment for the forthcoming twelve month period on or around June 30th each year. The commitment for the later six months of the twelve month period is contingent upon adequate direct public support from the annual fundraising campaign held later that year. Accordingly, the Organization records six months of the support grant commitment as a liability at June 30th. The later six months of the commitment is paid contingent on the outcome of the campaign.

**Federal Income Tax Status:**

The Organization was formed as a tax-exempt entity under Section 501(c) (3) of the Internal Revenue Code. Management believes the Organization continues to qualify as a tax-exempt entity.

The Organization accounts for income taxes in accordance with Financial Accounting Standard Board (FASB) Accounting Standards Codification (ASC) Topic 740, *Accounting for Uncertainty Income Taxes*. The standard provides detailed guidance for the financial statement recognition, measurement and disclosure of uncertain tax positions recognized in an enterprise's financial statements and requires an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position will be sustained upon examination. Management does not believe any uncertain tax positions exist at June 30, 2011. The organization's tax years that remain open and subject to possible examination by federal and State of Illinois jurisdictions include the tax years of 2008 through 2010.

**Investment Securities:**

Investments in marketable securities with readily determinable fair market values and all investments in debt securities are reported at their fair market values in the statements of financial position. Unrealized gains and losses are included in the change in net assets. Premiums and discounts on debt securities are amortized or accreted and recorded to interest income over the remaining maturity period using the effective yield method.

**Equipment:**

All equipment used in operations with a purchase price of \$500 or more and with an estimated useful life of at least three years is capitalized. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets. The estimated useful lives of the assets range from three to eight years.

**Expense Allocation:**

The costs of providing program services and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the program and supporting services benefited. The expenses allocated to the Campaign are considered fund raising related costs.

**Note 4. Unconditional Promises to Give**

During 2008, the Organization received a \$250,000 permanently restricted promise to give to establish an endowment. **Note 6. Fair Value**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2: Inputs to the valuation methodology include; quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value of the Organization investment securities are primarily determined by level 1 pricing, or quoted market which the Organization has the ability to access as of the measurement date.

**Note 6. Fair Value (Continued)**

The following table sets forth by level, within the fair value hierarchy, the Organization's assets at fair value as of June 30, 2011:

Description	Fair Value June 30, 2011	Level 1	Level 2	Level 3
Mutual Funds	\$1,138,475	\$1,138,475

Description	Fair Value June 30, 2010	Level 1	Level 2	Level 3

Other unconditional promises to give	97,619			\$97,619
Beneficial Interest in Trusts	623,510			623,510
<b>Total</b>	<b>\$1,654,885</b>	<b>\$933,756</b>		<b>\$721,129</b>

The proceeding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth a summary of changes in the fair value of the Organization's Level 3 assets for the years ended June 30, 2011 and 2010:

	2011	2010
Balance, beginning of year	\$721,129	\$827,463

**Note 9. Beneficial Interest in Trusts/ Endowment Income**

Community Foundation of Northern Illinois (CFNI) administers a designated \$1,000,000 endowment. Payments to United Way of Rock River Valley are determined by the CFNI trustees. Because of the variance powers granted by the CFNI trustees, income is recognized as payments are accrued. Payments received and recognized for the years ended June 30, 2011 and 2010 were \$53,917 and \$49,911 respectively.

In September 1995, the Organization was named a beneficiary of the Willard J. Corbett and Alice C. Corbett Charitable Trust, which is administered by AMCORE Trust. According to the trust agreement, payments to the Organization are made annually each July 1 for 25 years starting July 1, 1996. Payments are to equal 5% of the trust's allocable principal balance and accumulated earnings in the trust valued on June 1st of each year. **Note 10. Endowment Funds**

The Organization's endowments consist of two funds; the Gloyd Family Endowment and the Holmbeck Endowment. Both endowments were established to assure ongoing support of the annual campaign. As required by generally accepted accounting principles, net assets associated with the endowment funds, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Organization's management has interpreted the Illinois Prudent Management of Institutional Funds Act (IL UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by IL UPMIFA. In accordance with IL UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

**Investment Return Objectives, Risk Parameters and Strategies.** The Organization has adopted investment and spending policies, approved by the Board of Trustees, for endowment assets that attempt to provide total return utilizing capital growth strategy to achieve a balanced level of current income and the opportunity for future long term growth of capital. Accordingly, the Board recognizes a moderate level of portfolio volatility is inherent with such an investment strategy utilizing investment in stocks and/or mutual funds, bonds and/or bond mutual funds, and cash reserves and the Board has indicated a willingness to tolerate periodic declines in the value of the portfolios. Unless otherwise noted of dividend and/or income derived as a result of investment activity in the portfolios will be reinvested.

Spending Policy. The Organization has a policy of appropriating for distribution each year 5% of its temporarily restricted endowment fund market value, following valuation of the fund at December 31, to support the annual campaign. In establishing this policy, the Organization considered the long-term expected return on its investment assets, the nature and duration of the individual endowment funds, all of which must be maintained in perpetuity because of donor-restrictions, and the possible effects of inflation. The Organization expects the current spending policy to allow its endowment funds to grow annually at a nominal average return. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

Endowment net asset composition by type of fund as of June 30, 2011 is as follows:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total Endowment Net Assets</u>
