Response to Part VI, Section B, Question 11A:

Our Chief Executive Officer and Chief Financial Officer separately review and approve our Form 990 and supporting schedules prior to them being filed with the IRS. Subsequently, each member of our governing Board, in conjunction with the Board's annual review of our financial results, receives a copy of the filed Form 990 and supporting schedules.

Response to Part VI, Section B, Question 12c:

Annually, a copy of our conflict of interest policy is circulated to each member of our governing board and key employees, such as our Chief Executive Officer and our Chief Financial Officer. Each is required to certify that they have read and understand the policy, and to disclose the facts surrounding any conflicts of interest they know to exist. Where a conflict is disclosed, the facts are presented to our governing board for discussion and a determination of the action (if any) to be taken.

Response to Part VI, Section B, Question 15:

An independent review is conducted as needed to ensure our Chief Executive Officer's total compensation package remains competitive/comparable to that of CEO's leading similar organizations, with similar budgets, supporting similar consumers, and confronting similar fiscal and operational challenges. The independent review, which is documented, uses comparability data mined from the 990s and state information reports of other, similar entities, government reports and other independent yet authoritative sources of wage and compensation data. Review results are submitted to our governing body for consideration in adjusting our CEO's compensation package to ensure retention.

Response to Part VI, Section C, Question 19:

Our conflict of interest policy, governing documents, and financial statements are made available to the public on request. We intend to post them to our website, www.rimland.org, and make them available to the public on a 24/7 basis.

Response to Part XI, Question 5:

Net assets at the beginning of the year were adjusted to correct the prior year balances for depreciation, payroll taxes payable, and revenue.
