Form 990 Part VI Line 12c - The school administration and officers are aware of the conflict of interest policy and monitor it informally.

Form 990 Part VI Line 11 - The business manager provides the 990 to certain members of the finance committee for review and approval prior to filing.

Form 990 Part VI Line 15 - Use an established formula in an employee handbook to set the original salary for the person when they are hired. There is an annual review system in place and increases/decreases in pay are based on the economic situation of the school and changes in the employee's education and/or experience. Such information is brought forward by that employee's immediate supervisor for review and approval by the Administrator who presents to the Board. At times, comparisons are completed against private schools of similar size and type.

Form 990 Part VI Line 19 - The organization holds a State of the School meeting annually to disclose a variety of information, including financial statements to those in attendance. A summary of the event is emailed to all parents after the fact. Various other employee meetings, committee meetings, parent groups, and school meetings are held throughout the year and used as opportunities to make information available. An annual report is used to deliver summarized information. The website is used to share information with donors, parents, employees, students and prospective families. Administrators respond to inquiries with an open-door policy.
