Description of Uncertain Tax Positions Under FIN 48	Part X	The member health care entities of the System are primarily tax-exempt organizations under Internal Revenue Code Section 501(c)(3) or 501(c)(2), and their related income is exempt from federal income tax under Section 501(a). The System accounts for uncertainty in income tax positions by applying a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. During the year ended June 30, 2011, the System recognized other revenue of approximately \$9,000,000 related to medical resident FICA refunds that had been remitted to the Internal Revenue Service (IRS) during years ended prior to March 2005. Such amounts represent management's estimate of claims submitted to the IRS related to the IRS acceptance of residents' qualification as students for purposes of determining Medicare and social security tax.

FINANCIAL INFORMATION The financial information presented below was prepared in accordance with the Catholic Health Association's (CHA) community benefit reporting guidelines. These guidelines recommend the following - Report care of the poor at cost, not charges. Do not include bad debt, contractual allowances, and quick pay discounts as part of care of the poor expenses. Do not count Medicare shortfall as a community benefit. Report the net expense for community benefit services, i.e., the total community benefit expense minus any associated revenue from patients, payers, and other external sources - The CHA reporting guidelines reflect a conservative approach to reporting quantifiable community benefit. The goal of the reporting guidelines is to produce community benefit financial reports that reflect true costs and that describe community benefit activities that increase access to health care and improve community health. CHIC information for year ended June 30 2011 1) Care of the poor - (net expense) \$2,294,153 2) Community benefit programs - (net expense) \$514,173 Total quantifiable community benefit \$2,808,326
