Part III, 4a: Mental Health Services Program

Black Hawk-Grundy Mental Health Center, Inc. (the Center)'s mental health services program's objective is to provide a variety of mental health services to people in Black Hawk and Grundy Counties at no or low cost based upon a sliding fee scale.

During FY11, the Center's outpatient services provided over 20,000 initial evaluations, individual and group therapy and medication management services to approximately 4,800 individuals.

The Center provided assistance to homeless individuals in the form of evaluations, outreach services, assistance in accessing benefits and other provider services, funding for bus tickets and assistance in locating housing. In FY11, assistance was provided to 316 homeless individuals.

The Center provided services to inmates with a co-occurring disorder at the Waterloo Department of Correctional Services Residential Facility. These services included evaluations, medication management and group therapy. Services were provided to approximately 100 individuals during FY11.

The Center provided school based mental health services to youth in the public schools. In FY11, over 200 youth and family were seen for direct clinical care and group sessions on anger management, social skills and coping with depression were provided.

The Center provided outreach services to individuals with a serious and persistent mental illness in an effort to prevent or reduce hospitalizations and institutional placements while promoting independence in the community. In FY11, the Center provided 6,670 outreach visits to approximately 450 individuals in their homes or in the community.

The Center provided home-based mental health services to individuals over the age of 60 who are at risk of placement in a more restrictive environment due to untreated mental and medical problems. During FY11, the Center provided services to 77 individuals over the age of sixty in their homes.

The Center provided peer support services through a Mental Health Recovery Center located in downtown Waterloo. The services were provided by consumers who have been trained to provide peer support with clinical oversight by a Licensed Social Worker. During FY11, six trained consumers provided peer support services to approximately 22 individuals per month. Approximately 400 consumers visit the Recovery Center each month for information, referral, educational resources and support groups.

The Center provided nursing services to clients who needed medications. They provided telephone triage, pharmacy calls for new or renewal medications, access to pharmaceutical patient assistance programs, education and injections. During a typical week the nursing staff had direct contact with over 500 individuals. Currently over 1,300 clients receive free medication through these programs. During FY11 the Center's nursing staff placed patient assistance medication orders each month for free medication with an annual value of over \$3.8 million.

Through a grant from the 1st Judicial Department the Center implemented the second Mental Health Court project in the State of Iowa in collaboration with the Black Hawk County Attorney and the State Public Defenders Office in July 2009. During FY11 the program worked with 38 individuals of which 8 successfully completed the program.

The Center also provided consultation and education services. In FY11, formal presentations were made to over 1,500 individuals in the community. Informal consultations and educational activities occurred daily.
