IRS Form 990 Part VI Section A Lines 6-7b Wheaton Franciscan Healthcare-lowa, Inc has two members, a corporate member and a Managing Member, both of which hold several reserved powers over Wheaton Franciscan Healthcare-lowa, Inc. These reserved powers include, but are not limited to, the election of members of the governing body and election of officers, approval of certain financial expenditures in accordance with policy, and approval of budgets and strategic plans, these approvals are based on recommendations from the governing body.</p> <p>IRS Form 990 Part VI Section B Line 10 Wheaton Franciscan Healthcare and Franciscan Ministries are part of a controlled group of health care and housing providers, controlled under a common parent organization Wheaton Franciscan Services, Inc. Some of these organizations are exempt through the Catholic Group Ruling and other organizations have a stand alone exemption (IRS determination) letter. As such, these related affiliates have certain policies and procedures that were adopted at the parent level, but are applicable to the entire controlled group of organizations. All policy and procedure matters are handled in a manner to ensure that all activities are consistent with the organization's overall exempt purposes. Please see Schedule R for a full listing of all related affiliate organizations.</p> <p>IRS Form 990 Part VI Section B Line 11 Affiliates of Wheaton Franciscan Healthcare use a multiple-level review process on all Federal and State information and tax returns to ensure accurate and timely filing for all organizations. Under the direction of the Tax Manager, the Accounting Department prepares Forms 990, 990-T, and associated state filings. When complete, the return is first reviewed by the Controller, who focuses on the income statement and balance sheet items, and all schedules where transactions of this type might be reported. If discrepancies are found, the item will be corrected prior to the next step in the review process. Once cleared through Accounting, the return is provided to the Tax Department, where the Tax Manager and Vice President of Treasury and Risk Management focus their review on consistency of reporting between all returns, accuracy of tax related information, and explanation and understanding of any outliers. Again, any problems or questions are investigated and corrected. Depending on the level of complexity of the year in question, as well as the individual issues specific to that filing, certain returns may be selected for outside review by a public accounting firm. This decision will vary from year to year based on many factors, and sometimes outside review is not utilized at all. Also, certain schedules, such as Schedule K, Schedule H, and Schedule J, may be selected for review by outside bond counsel, a community benefit associate, and/or the compensation committee respectfully and as needed. This decision will vary from year to year, again based on many factors. The Accounting Department, upon completion of all levels of review, will schedule an appointment with the Senior Vice President and CFO, who will perform a review prior to signing the return. Once signed, the return is cleared to provide to members of the Board of Directors. The parent organization, Wheaton Franciscan Services, Inc has designated that the Audit Committee review the parent return in certain years. This is a cursory review, where the 990 is explained at a high level by management representatives, and any questions or concerns that the board has can be addressed. At a later date and prior to e-filing, the full board is provided access to all 990's and 990-T's throughout the system via an online portal. A similar process exists at the regional holding company levels - a 990 is selected for review in certain years by the Finance and Operations Committee. Similarly, the 990 (and accompanying 990-T if any) is explained at a high level, and board questions or concerns are addressed. Members of the full board are provided access to all 990's and 990-T's within that region prior to e-filing via an online portal.</p> <p>IRS Form 990 Part VI Section B Line 12 As part of an annual process, conflict of interest questions are sent out to all Officers, Directors, and other individuals in key positions using software designed to capture this information. The responses are analyzed in order to determine information on potential conflicts, as well as information on business and family relationships for purposes of answering certain questions on IRS Form 990. Responses to these questions are reviewed by the Vice President of Compliance and the Manager of Tax Compliance, and follow up action, if any, are documented within the software. Responses to questions continue to be reviewed and documented throughout this time period. Approximately 1 month prior to the filing deadline of IRS Form 990, responses to date are compiled. Any response requiring disclosure is entered into the information return. Also at this date, the remaining non responder names are determined, and a letter, along with the actual Conflict of Interest Policy, is sent to the Chairperson of each board. The letter outlines the current non responders, as well as any Officer or Board member that has disclosed a financial interest that might pose a potential conflict of interest. Depending upon the nature of the financial interest and work done by the board, several actions may be considered - the board member with a financial interest would need to voluntarily excuse him or herself from the deliberations and/or voting on such a matter, or, if necessary, the board would determine that the subject's financial interest was an actual conflict of interest, in which case the board member would be informed by the board Chairperson that he or she would not be allowed to vote in any such matters due to this real or perceived conflict of interest. Minutes of the board meeting would document this decision process, and reflect whatever action(s) are ultimately taken. The board chairperson is also required to discuss with non responders the repercussions of not responding after two attempts, and require the board member to complete the annual conflict of interest disclosure questions before being allowed to continue in any board matters. If the board member refuses, the Chairperson has the authority to determine the appropriate action, including, but not limited to prohibiting them from participating in deliberations, preventing them from voting, and/or removing them as a board member. IRS Form 990 Part VI Section B Line 15 The compensation of the CEO of Wheaton Franciscan Services Inc (WFSI) and other officers and key employees of the filing organization is reviewed and approved on an annual basis by the Executive Committee of the WFSI Board of Directors, an independent board, acting in a manner consistent with its conflicts of interest policy. The board's decision is informed by an opinion on market comparable compensation data provided to the board by an independent compensation expert. The organization maintains contemporaneous documentation of the substantiation of the deliberation and decision by the board. Compensation for the organization's President and other officers and key management employees, is reviewed and approved, as part of the Wheaton Franciscan Services, Inc Executive Compensation Plan, on an annual basis by the Executive Committee of the Wheaton Franciscan Services, Inc Board of Directors (the "Executive Committee of the WFSI Board"), an independent board, acting in a manner consistent with its conflicts of interest policy. The Executive Committee of the WFSI Board's decision is informed by an opinion on market comparable compensation data provided to the board committee by an independent compensation expert. The Executive Committee of the WFSI Board maintains contemporaneous documentation of the substantiation of the deliberation and decisions it makes. For those officers and key employees that are paid for their services other than pursuant to the WFSI Executive Compensation Plan, the compensation terms are approved by the President of Covenant Medical Center, Inc and Wheaton Franciscan Services - Iowa, Inc. In such case, decisions are made in accordance with the organization's conflict of interest requirements. Also, in such case, the compensation paid pursuant to a contract is determined with reference to market comparable information. Organizational policy requires that contemporaneous documentation of the same be maintained.</p>
