The Board Designated quasi-permanent endowments are funds received from contributions given for use determined by the Board. These funds are set aside for the Pella Community Foundation's operating costs, or for grants paid out to the local nonprofits serving the citizen's of Pella each year. The earnings on the Permanent Endowment contributions are also set aside for disbursement to the nonprofits whose benefit they were intended to be used and offered each year for disbursement under a spending policy set by the Board.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Part IV, Line 2b | Part IV, Line 2b Explanation of escrow account liability | Several local nonprofits have chosen to invest some of their funds through the Pella Community Foundation's investments. The Pella Community Foundation has access to the TIFF Investment program for foundations and an array of other investments. This has allowed local nonprofits to diversify their portfolios more than would have been possible on their own. The Pella Community Foundation and the local nonprofits have an agency agreement, where the investing nonprofits have signed an agreement that they have accepted the risk of these investments. Distributions (up to 100% of the Fund balance) of the Fund is pursuant to requests of the Agency submitted in writing authorizing such distributions. The resolution shall state the specific reason(s) for the request and describe why such distribution would further the legitimate interests of the Agency and how the fiduciary responsibilities to prior contributions will be fulfilled. Any such distribution of the Fund's principal, in whole or in part, shall be subject to the approval of the Foundation's Board of Directors, which shall not be unreasonably withheld, and will be made within 90 days of the required approvals. The Foundation provides a written statement to the Agency no later than 30 days after the end of each quarter showing the performance and activity of the Fund. The fee to administer the investments by the foundation is 5% of the market value of the Funds assets at the fiscal year-end. |
