Supplemental Information

Complete this part to provide the information required by Part I, line 2 (monitoring of funds), Part I, line 3, column (f) (accounting method), Part II, line 1 (accounting method), Part III (accounting method), and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information (see instructions).

Part I Line 2 We work with each grantee on a quarterly basis. The grantee agrees to a budget and is responsible to stay within that budget. Money is typically wired on a quarterly basis unless special projects are in process like "brick and mortar" one-time building projects. Verification and monitoring process for grants is as follows: 1. Every purchase is recorded albeit in different languages or hand written receipts. These receipts and ledgers are filed and kept at central offices in local countries. 2. Every child is profiled every year with and an updated picture and bio to track and verify use of funds and create proof of life. 3. We periodically cross check expenses with other NGOs to verify that our budgets and inflation remain at the norm for the region. 4. We confirm that people who manage these projects are in good standing with local governments and communities. 5. Annual site visits are conducted for most locations by the USA office and Part I Line 2 video interviews are recorded of staff in those homes or sites within restricted access regions. 6. Funds are wired to the country and distributed by the regional director. All money wired is grant money given to the local country foundation or NGO by us. They are then responsible to document and verify project work with us but are ultimately responsible for the gift once it is in their hands.

Part I Line 3 The method of accounting for all amounts reported on Schedule F is the "cash" accounting method.
