In order to receive Missouri Universal Service Funds, any telephone company operating within the State of Missouri may submit data to the Fund

Administrator for the purpose of identifying low income and disabled customers qualifying for assistance. During each fiscal year, the Fund Administrator collects and

reviews the various submissions made by the telephone companies with qualifying customers. Once the analysis is completed, the funds collected, less the cost of

administration are allocated to those telephone companies with qualifying customers and the companies, in turn, credit the accounts of those customers in an

effort to assist in providing affordable essential telecommunications services to persons in need of assistance.
