PROGRAM SERVICE ACCOMPLISHMENTS	FORM 990, PART III, Q 4A	I INTRODUCTION Villa Nazareth, Inc operates two distinct entities, 1) Friendship, Inc and 2) Riverview Place Friendship, Inc 's origin dates back to 1897 to St John's Orphanage Over the years the name and the mission of the organization have changed to meet the needs of the community In 1981, Villa Nazareth (dba Friendship, Inc) was created to serve people with developmental disabilities in a non-institutional, community-based program To day, Friendship, Inc is one of the largest non-profit private providers of community services to people with developmental disabilities in North Dakota Over 260 people with developmental disabilities are served by Friendship, Inc in a variety of vocational and residential programs Villa Nazareth (dba Riverview Place) is a retirement community for active adults Riverview Place was formed in 1987 offering 148 independent apartment settings to people aged 55 and older As seniors began to age in place, an assisted living program was developed and approximately 50 out of the 148 apartments were designated as assisted living A health service component was added to assist residents with their healthcare needs Today Riverview Place serves over 150 retired seniors During the fiscal year 2011 Villa Nazareth provided benefits to the poor and broader community of \$152,537 as described below Approximately 6,516 people benefited from these services The major components of these community benefits are as follows Number of Persons Community Served Benefit Benefits for the Poor Cost of Charity Care 5 \$45,498 Family & Community Living and Extended Services 9 5 \$6,546 Community Service targeted for poor 190 \$20,742 Total Benefits for the Poor 290 \$ 72,786 Benefits for the Broader Community Education and Research 1,779 \$72,179 Other Community Benefits 4,447 \$7,572 Total Benefits for Broader Community 6,226 \$79,751 Total Benefits 6,516 \$152,537 II BENEFITS FOR THE POOR Charity Care In the fiscal year 2011 Riverview Place provided \$45,498 to five people through their Charity Care Program The Charity Care Program was implemented to allow seniors to remain at Riverview Place and receive necessary services despite their shrinking ability to pay for the costs As seniors aged and life expectancies were exceeded, a few of the residents found their financial means could not afford to keep pace with costs at Riverview Place We had five residents who qualified Family & Community Living and Extended Services At Friendship, Inc we pride ourselves in serving people with developmental disabilities who are of a more challenging nature Our Family and Community Living Program (FCL) is one of these programs Because this program is a Medicaid Waivered Program and because of the more challenging people who are in this program, costs associated with the program exceed reimbursement levels The Extended Services program assists people with developmental disabilities in finding meaningful employment of their choice, and provides job coaching as well as transportation to and from the job sites Because each individual is given the dignity of choosing their job, transportation needs often require many job coaches to travel to many different job sites Reimbursement for the travel time is not made available from Medicaid, and therefore the costs associated with providing this program often exceed the reimbursement levels The growth experienced and the dignity realized by the people we serve is extremely important to us This year costs exceeded reimbursements by \$6,546 in these two programs There are a total of 95 people who receive these services Community Service Targeted for the Poor Friendship employs 350 employees in three communities Even though salaries and turnover are improving, we still need to support an atmosphere of reverence and appreciation for staff members by including sponsorships in softball leagues, bowling leagues, volleyball leagues, etc In addition, flowers are given when losses occur or illness is experienced Memberships in organizations above what reimbursement regulations allow help provide a support system and exchange of ideas These types of activities are considered non-allowable costs, yet they help create an atmosphere of caring Staff members are taking leadership roles in memberships in the Kiwanis, Qualified Mental Retardation Professional (QMRP) Association, Chamber of Commerce, and the Association for Persons in Supported Employment (APSE) Staff members who experience this respect stay longer When staff members stay longer, consistency in programming occurs and quality of service is improved to people with developmental disabilities When situations occur that are non-reimbursable for the people we support, in cases of extreme need, we are committed to helping Situations where there is job loss, wages have changed significantly, a person is temporary ineligible for Medicaid, or there is a need for medical equipment that is not covered by Medicare are

Process for Determining CEO's Compensation	FORM 990, PART VI, Q 15A	The organization's CEO's compensation is paid by CHI. CHI has a defined compensation philosophy. Both the executive and non-executive compensation structures and ranges are reviewed annually in comparison to market data. CHI uses The Hay Group as the independent third party to assess executive compensation programs and to ensure the reasonableness of actual salaries and total compensation packages. Compensation of the senior most executives is reviewed annually. The Hay Group reviews both cash and total compensation for overall reasonableness, for adherence to CHI's compensation philosophy, and for comparability to the not-for-profit healthcare market. This independent review is delivered by Hay Group to the HR committee of the CHI Board of Stewardship Trustees annually at their September meeting and minutes are shared with the full board at the December meeting. The last review was September, 2011. In addition, in December 2009, hay group completed a comprehensive review of all positions at the level of vice president and above to determine and validate appropriate compensation levels.

Process for Determining Compensation	FORM 990, PART VI, Q 15B	The CEO of Fargo division does a market study to determine if the salaries of the senior management team are comparable. A salary range is set for each position, this range is adjusted annually based on the approved percentage increase of the Medicaid budget as set by the state of North Dakota Department of Human Services. This percentage adjustment is keeping the senior management's salary range marketable. In addition, the division office of CHI in Fargo and the Compensation committee of the Board also review and approve the salary ranges of the senior management team.
