Process for Determining Compensation - CEO	FORM 990, PART VI, Q 15A	The organization's CEO's compensation is paid by CHI. CHI has a defined compensation philosophy. Both the executive and non-executive compensation structures and ranges are reviewed annually in comparison to market data. CHI uses The Hay Group as the independent third party to assess executive compensation programs and to ensure the reasonableness of actual salaries and total compensation packages. Compensation of the senior most executives is reviewed annually. The Hay Group reviews both cash and total compensation for overall reasonableness, for adherence to CHI's compensation philosophy, and for comparability to the not-for-profit healthcare market. This independent review is delivered by Hay Group to the HR committee of the CHI Board of Stewardship Trustees annually at their September meeting and minutes are shared with the full board at the December meeting. The last review was September 2011. In addition, in December 2009, Hay Group completed a comprehensive review of all positions at the level of vice president and above to determine and validate appropriate compensation levels.
