Part IV Supplemental Information. Complete this part to provide the information required in Part I, line 2, and any other additional information.

Student applications are submitted by parents for tuition assistance at private schools in the state of Arizona. The parent supplies their income level and number of dependants on the

application. The student enrollment is then verified with the administration of the school by our organization. An application is only valid for one school year and the parent must

re-apply each school year. the Yuma's Education Scholarship Fund Board reviews the application and then approves the distribution of the scholarship to the school on a monthly

basis. The school is informed on a disbursement letter that they may not receive an amount per student (from all tuition organizations) in excess of the total tuition due for each

school year. In the event an excess amount is received by the school, then they must return the funds to the school tuition organization. The application is available on our website.
