\* Your approved credit is not a commitment to loan funds. It is based on the value of your investment account which could change daily. The amount you may be eligible to borrow may differ from your approved credit. Borrowing against securities has its risks and is not appropriate for everyone. If the value of your collateral declines, you may be required to deposit cash or additional securities, or the securities in your account may be sold to meet the margin call. The interest rate will vary depending on the amount borrowed and will begin to accrue from the date of the loan and be charged to the account. A minimum account value is required if you have loan features on your account. Call your financial advisor today.
