990EZ Part I Line 20 Re: Increase in Fund Balance The Reason for the Increase in Fund Balance is not Known.

Reference Form 990 EZ Part III

The PACE Group has at its purpose to revitalize the old business section of the city of Thomasville North Carolina. This is being accomplished by volunteers who make up the officers and board of The PACE Group. Funding is provided by public contributions and by certain fund raising projects undertaken from time to time. The benefit to be derived from the efforts of The PACE Group is that business activity in the old business section of Thomasville will increase with the result being economic growth in the community.

To date some of the achievements of The PACE Group have been to create improvements in old store fronts by encouraging repairs by the building owners, purchase and installation of street lamps along the sidewalks in the old business section of town, revitalization of an old railroad depot now used as a visitors center, creation of a park space with fountains, plantings, and seating in an existing space behind some old store buildings with access sidewalks to the space, partnering with the city to build a greenway walking path connecting to the downtown section, promoting the recognition of an historic section of the old downtown section of town with a walking tour route and markers to guide the way, a project to replace entrance signs to Thomasville to include all corridors to the city, a Farmers Market located in the old downtown section and an amphitheater with provision for seating and lights and plantings of shrubbery and trees. Other projects are being considered as practical. All projects being undertaken have been under a master plan developed by the North Carolina Urban Design Assistance Team who agreed to work with PACE and Thomasville after review of the potential of the city and of the support for the projects by the city and citizen volunteers coordinated by The PACE Group.
