The purpose of the grant is to enable families who desire to enroll their students in our school but who have financial need to be able to participate in the services our school offers.

Families are required to submit a financial aid application through a third-party organization, FAST, who collects the family's financial information, verifies it with documentation, and makes a recommendation to the school rewarding an amount of tuition assistance the family qualifies for. The school funds the tuition assistance program primarily from its own resources; however, contributions have been solicited from participating families to help fund the program.

Part VI Line 11b Describe the process used by the organization to review this Form 990.

Form 990 and its accompanying schedules have been pre-filled out by the person managing the organization's finances, the Finance Manager, to the best of her ability. These forms are then submitted to the school Treasurer, a member of the governing board, for review, as well as to an independent CPA in charge of reviewing the return for accuracy and completeness. Once finalized, the school's CEO/president reviews and signs the return. A final copy of the return is made available to the Treasurer, who will in turn be responsible for providing copies of the return to the governing board. A copy of the return is also stored at the school's principal office.

Part VI Line 19 Describe whether, and if so, how, the organization makes its governing documents, conflict of interest policy, and financial statements available to the public.

The organization does not, at present, have a written conflict of interest policy. It does, however, maintain a hard copy of the governing docs and Form 990 at the principal school office and these are available and open for inspection to the public upon request. Financial statements and records are maintained in an electronic form. Again, these are available upon request made to the school Treasurer.
