Part X	Part X FIN48 Footnote	Seventh Generation Fund for Indian Development is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and similar state provisions. The open audit periods are 2007 through 2009. In June 2006, the Financial Accounting Standards Board issued ASC 740-10 (formerly known as FASB Interpretation No. 48, Accounting for Uncertainty in Income Taxes), which requires that any reserves, or related accruals, be recorded in the financial statements for any uncertain tax positions that the organization has taken or expects to take on a tax return. As of July 1, 2009, the Organization adopted ASC 740-10. The Agency has analyzed the tax positions taken for filing with the Internal Revenue Service and the state of California. The organization believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the financial statements.

Purchases of collection items are recorded as decreases in unrestricted net assets if purchased with unrestricted assets and as decreases in temporarily restricted or permanently restricted net assets if purchased with donor-restricted assets. In accordance with the provisions of SFAS No. 116, Accounting for Contributions Received and Contributions Made, SGF does not capitalize donated works of art or recognize them as revenues or gains. That Statement provides that such donations need not be recognized if they are added to collections that are held for public exhibition, education, or research in furtherance of public service rather than financial gain, are protected, kept unencumbered, cared for, and preserved, and are subject to a policy that requires the proceeds from sales of collection items to be used to acquire other items for collections. Contributions of collection items are not recognized in the statement of activities. Proceeds from sales or insurance recoveries are reflected on the statement of activities based on the absence or existence and nature of donor-imposed restrictions.
