Form 990, Part III, Line 1 - Organization Mission

The Victoria County United Way works to advancing the common good. This means creating opportunities for a better life for all. This is accomplished through our funding of programs and initiatives provided by partner agencies, participation in collaborative efforts and involving our community in solutions that benefit all of us. When we reach out a hand to one, we influence the condition of all. Our leadership understands that we all win when a child succeeds in school, when families are financially stable and when people have good health. These results and changes have benefits that ripple out to the community as a whole.

For more than 60 years, Victoria County United Way has held a reputation as our community's fundraiser, but United Way doesn't just raise money. Today's United Way is a focused, results-driven system working year-round to change community conditions and create lasting solutions. Much like a "general contractor" manages all aspects of constructing a building, we manage people and resources to create lasting, positive solutions in lives that need it most. Through strong partnerships with volunteers, local business, government and nonprofit organizations, United Way accomplishes what no one can do alone.

These are basic things that we all need for a good life: a quality education that leads to a stable job, income that can support a family through retirement, and good health. Together, we can Build a Better Community in Victoria and DeWitt counties

Mission: To improve lives by mobilizing the caring power of Victoria County communities.
