The agency provides the administration of of quality intiitiaves through the partnerhsips and outreach efforts of local community leaders and geographically designated areas statewide. The Agency sponsors seminars, institutes, discussions, and trainings to educate and provide professional development resources to leaders and professionals in the field to encourage expansion of afterschool programs for youth statewide.

The reason for the information in this schedule O having been omitted from the original return is staff turnover and the assumption that the required information was included within the body of the return. Last year's return was filed as 990EZ, and the supplemental schedules were not included. Reference to the prior return resulted in the assumption that the Schedule O was not needed.
