**Part X Line 2**

GAAP requires organizations to determine and assess all material tax positions taken in any income or information returns, including all

significant uncertain positions, in all tax years that are still subject to assessment or challenge by relevant taxing authorities. GAAP

addresses the recognition and measurement of income tax positions using a "more-likely-than-not" (MLTN) threshold. The MLTN threshold

means that:

- A benefit related to an uncertain tax position may not be recognized in the financial statements unless it is MLTN that the position will be

sustained based on its technical merits; and

- There must be more than a 50 percent likelihood that the position would be sustained if challenged and considered by the highest court

**Part XIV Supplemental Information (continued)**

in the relevant jurisdiction.

Management evaluated all material tax positions as required by GAAP and determined that this requirement had no impact on the

Organization's financial statements.

**Part III Line 4d - Other Program Services: College Preparation & Health Education**

**Part VI Line 11a - Governing Body Review of Form 990**

The Form 990 is emailed to each member of the Finance Committee for review and approval. The Form 990 is then emailed to each member of the Board of Directors requesting that they review the document and provide comments and recommendations prior to filing with the IRS.

After the Board of Directors has reviewed and provided comments and recommendations, the final version is then filed with the IRS and a copy of this filed version is emailed to each Board member.

**Part VI Line 12c - Monitoring and Enforcement of Conflict of Interest Policy**

The purpose of the conflict of interest policy is to protect the interests of Reading and Beyond (the "Organization) when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a Board member of the Organization, or an officer or member of a committee with Board-delegated powers, that might result in a possible excess benefit transaction. All individuals mentioned above are required to annually submit a Conflict of Interest Disclosure Statement. If an individual is deemed to have a conflict of interest regarding a transaction, they are prohibited from participating in the governing body's deliberations and decisions regarding that transaction.

**Part VI Line 15a - Process for Determining Executive Compensation**

The Executive Committee minus the Executive Director, reviews the work of the Executive Director, compares current compensation to other individuals at similar size organizations with similar responsibilities, documents the process for determining the appropriate compensation level and then makes a recommendation to the Board of Directors. The Board of Directors then votes on the recommendation.

**Part VI Line 19 - Availability of Documents to the Public**

The Organization's governing documents, conflict of interest policy, financial statements and other documents are made available to the public through inspection at the Organization's administrative office. The Organization will notify the person inquiring that they may schedule an appointment to review the documents. Staff will be available to answer any questions at that time. In addition, the Organization's annual report is made available on the Organization's website.
