In order to be employed by the School, new employees are required to acknowledge in writing that they have read and understand the policies included in the School's Employee Handbook. Included in the Handbook is a Conflict of Interest policy that prohibits employees from engaging in activities that directly compete with the business or interests of the School. In addition, the Handbook includes a Whistleblower policy, which outlines the School's process for reporting any suspected violations of School policy and provides assurance that employees who report potential violations will not be subject to retaliation.
