No benefit under this formula will vest under this 457(f) plan before the attainment of age 62 or the completion of 15 years of service. No payments were made under this plan during 2010. Certain listed persons participate in the CHW Excess Benefit Plan, a nonqualified supplemental benefit plan limited to participants in the CHW Retirement Plan whose benefits are affected by the limitations imposed by sections 401(a)(17) and 415 of the Internal Revenue Code. A substantial portion of executive compensation is performance based and is linked to organizational goals approved in advance by the Compensation and Benefits Committee. These goals include attainment of annual and long-term financial performance, certain healthcare quality standards and the organization's commitment to serving the poor and disenfranchised in the communities it serves. Total compensation, which includes base salary, annual and long-term incentive compensation, targets the 75th percentile of the market in which the supported organization competes for executives, commensurate with the size and complexity of the organization.
