Part I, Line 1 - The mission statement of the National Kidney Foundation of Hawaii (NKFH) is to prevent kidney and urinary tract diseases, improve the health and well-being of individuals and families affected by these diseases and increase the availability of all organs for tansplantation.

Some of the most significant activities this year include:

Similar awareness events were held in Maui and Hilo. Public relations activities included television, radio and print interviews and appearances.

(2) KEEP (Kidney Early Evaluation Program - national) and KEDS (Kidney Early Detection Screening - local) are comprehensive screening programs being held during the year throughout the state.

(3) Program evaluation of local KEDS screenings was written and will be published in the Hawaii Medical Journal. Findings will be published in other journals and showcased in several public conferences.

(4) Early Education Programs are being delivered throughout the state in order to prevent or slow the progression of kidney disease; programs include KIWI (Kidney Interactive Workshop and Information) program, cooking programs and CKD support groups.

(5) Patient Services continue to be provided to kidney patients and include: a Peer Mentoring Program where patients are paired for guidance and support; patient and family support groups to empower

patients; cooking programs designed for kidney patients facing strict dietary restrictions; assistance funds; medical identification jewelry; and patient handbooks.

(6) Youth outreach programs are delivered through community partnerships.

(7) Professional conferences are held each year to provide current kidney information and management support to healthcare providers.

The NKFH has developed a significant advocacy program to speak on behalf of the needs of people with kidney disease and in need of organ transplants.
