Form 990, Part III, Line 4a - Program Service Accomplishments

Strengthened the Association through engaged membership participation and board
development.

Improved members' services through communication, effective meetings, cutting edge
training, support services and leadership opportunities. Specifically, we held two
very successful Washington State Association meetings that included top notch
trainers along with noteworthy speakers. In June we held a conference (Summer
Institute) which included intensive workshops on literacy development, working with
children with disabilities, and improving health outcomes. We also held several
regional trainings/workshops and conferences. We also held a meeting and a retreat
for Headstart Directors. This gave Directors an opportunity to learn new skills and
share information.

Strengthened the Association's capacity to influence the public will and public
policies.

Established strong collaborative partnerships with related associations, programs,
governmental units and individuals. For example, we are currently working in
partnership with the Department of Early Learning and the Region X Head Start office
in an effort to help Head Start programs meet the new teacher degree requirements.
