| Grantmaker's Description of How Grants are Used |                  | Illinois County Farm Bureaus use an application format to request funds. As part of this process, the County explains how the funds will be used with its farm bureau. Results of all grant distributions are reported to the IAA Board each March.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Additional Supplemental Information             |                  | The County Finance Program has been designed to assist county Farm Bureaus in financial need. This program was approved by the IAA Board of Directors in 1996 and implemented for calendar 1997. The IAA grants funds to the County Farm Bureaus on the following basis: Automatic Grants: 70% of the funding received is distributed by formula to county Farm Bureaus meeting certain criteria. Additional Automatic Grants: A funding limit in the Automatic Grant formula is multiplied by the number of counties in the Farm Bureau unit. These grants are funded from 30% of the funding set aside for Applied-for Grants. Applied-for Grants: The remaining 30% of funds available (less Additional Automatic Grants) is available for distribution by a Grant Committee. This committee uses its discretion to consider grants to county Farm Bureaus which make application by March 1 of each year. Any funds not distributed by the Grant Committee are carried over to the following year. |
