Check if Schedule O contains a response to any question in this Part III ☒

The Equal Opportunity Schools organization (EOS) is a not-for-profit educational reform start-up. EOS changes lives and narrows the achievement gap by collaborating with principals and superintendents to address an inequity in our schools: under-enrollment in the best academic programs - especially by students who are Latino, African-American, or low-income. EOS identifies these "missing students" - who we have shown can succeed at the highest academic levels within their schools - and works with school leaders to transition them into the best classes and to provide ongoing support.

If "Yes," describe these new services on Schedule O
