## Your Estimated Interest and Dividends

The following is an estimate of the interest and dividends you can expect to earn on your investments in the next 12 months but it is only an estimate and cannot be guaranteed by Edward Jones or the issuers of the securities. The estimate is known as the Estimated Annual Income or EAI. It is based on past interest and dividend payments made by the securities held in your account. It is also based on statements made by the issuers of those securities. The estimates project possible future interest and dividend payments based on the number of bonds or shares held in your account at the time the estimate was done. Your actual investment income may be higher or lower than the estimated amounts. Estimates for certain types of securities that have a return of principal or capital gain may be overstated. Income being reinvested is indicated with \*\*. Income cannot be estimated for the securities indicated by \*\*. It cannot be estimated because the annual payment amount or frequency is not available at this time.
