Identifier	Return Reference	Explanation
financial footnote regarding fin 48 (asc 740)	part x line 2	The Association evaluates uncertainty in income tax positions taken or expected to be taken on a tax return based on a more likely than not recognition standard. If that threshold is met, the tax position is then measured at the largest amount that is greater than 50% likely of being realized upon ultimate settlement and is recognized in the Association's financial statements. To the extent that the Association estimates change or the final tax outcome of these matters is different than the amounts that have been recorded, such differences will impact the income tax provision when such determinations are made.
