The organization's policy is to prohibit any activity relating to support or opposition of candidates for public office. Lobbying activities are carried out primarily by volunteer board members who write letters, emails, testify at public hearings and educate elected officials, organization members and the general public regarding proposed legislation. The organization employes one part time administrative person who spends a minor amount of time related to these activities. Grassroots lobbying is accomplished primarily through email and social media communication. Again, the paid staff spends a minor amount of time distributing email communications related to this grassroots effort.

Form 990-EZ Part V line 34 Significant changes to the organizations governing documents

At the annual meeting in 2011 the membership approved two amendments of the bylaws. The first amendment was to stagger the term of the board of directors into three classes. The final amendment was to delete language in the bylaws requiring the organization to have an annual audit as the size of the organization's assets and simplicity of its operations did not justify the expense.
