CLARKRIDGE VOLUNTEER FIRE DEPARTMENT

November 7, 1983

In June of 1983 the Clarkridge Volunteer Fire Department was organized by several people who saw a great need for fire protection in our area.

The Clarkridge area is a growing community with alot of expensive homes. We also have an apartment complex. Our home owners insurnace premiums have been skyrocketing and there have been several homes lost to fire in the past.

The Mountain Home School District donated the old Clarkridge School grounds to the Clarkridge Volunteer Fire Department to serve as a site for a fire station and a community center which incidentally falls almost in the center of our 5 mile fire protection district.

Plans are made to build a 30 X 40 block building on a cement slab to serve as a fire station and a community center.

At this time we have raised over \$5,000.00 through donations and various fund raising projects, our only source of revenue is through donations and grants.

Residents of the community, area merchants, small industries, realtors, and financial instutions have donated from \$25.00 to \$500.00 to our fire department.

The estimated cost of the new fire station and community center building with all volunteer labor and various materials that have been donated comes to \$8,000.00. We have found a municipal type fire truck with an 1,100 gallon tank and pump system that is in excellent shape for \$5,500.00 that we plan to purchase after January 1, 1984.

The Arkansas Forest Commission has promised to give us a fire truck (brush truck) for combating forest and residential fires. We have applied for this truck and are number 5 on the waiting list. This truck should be turned over to us within the next 12 months.

There are many advantages to having this fire department and community center. Protection of life and property, reduced insurance rates, increased value of property, a building to hold community activities, a place to vote, and etc.

The first thing a prospective home or real estate buyer coming into this area asks is-What type of schools and hospital facility are in the area and about fire and police protection.

At this stage we have a commitment from one of the local financial institutions for a loan at 10% interest to help build our building and purchase fire fighting equipment.

There are alot of people working hard on this project, and our present plans are to have our new building under roof by January 1, 1984.

By June of 1984 we plan to reduce our insurance rating from 10 to 9, which will lower our home owners insurance premiums.

There is alot involved in doing this. Having the proper equipment, trained volunteer fire fighters, records of training, maintence of equipment, and etc.

Insurance premiums vary from policy to policy and company to company. Several resdients of the communtiy have checked with their insurance agents and will save from \$40.00 to \$236.00 per year when we go from a Class 10 to Class 9 insurance rating.

We are asking every property owner in our fire protection district to donate \$25.00 (which is tax deductible), at this point every dollar we can raise is desperately needed and will be put to good use.
