The organization annually reviews the conflict of interest policy with each board member and also with new board members. Persons covered under the policy include officers, directors, senior executives, non-director members of Board committees and others as identified by a senior executive. At all levels the board is responsible for assessing, reviewing, and resolving any conflicts of interest that have been disclosed by a covered person, or a conflict of interest disclosed by a covered person with respect to a covered person other than himself/herself. Where a conflict exists, the affected parties must excuse themselves from participating in the situation.

Form 990, Part VI, Section B, Line 15:

Executive compensation is set by St. Luke's Boards of Directors and is reviewed annually. Compensation levels are based on an independent analysis of comparable pay packages offered at similar institutions across the country, with the goal of placing executives in the 50th percentile of those surveyed. Similar analysis is also completed for physicians and other health care specialties such as nurses and pharmacists. These surveys are usually done every two years, with the most recent compensation survey completed during calendar year 2010.

Form 990, Part VI, Section C, Line 19:

The organization's governing documents, conflict of interest policy, and financial statements are not available to the public. Form 990 is available for public inspection, which contains financial information.
