§ Gross proceeds less commissions

a Cost or other basis provided may include adjustments including but not limited to dividend reinvestment, return of capital/principal, wash sale loss disallowed, amortization, accretion, acquisition premium, bond premium, market discount, market premium, and option premium

b The following pieces of information are not reported to the IRS for "Not Provided" tax lots: Date of Acquisition (1b), Cost Basis (3), Wash Sale Loss Disallowed (5), and Term (8)

z Totals of Cost or Other Basis include all tax lots with known basis (both "provided" and "not provided"), and "not provided" tax lots with unknown basis. Amortization, accretion, and similar adjustments to cost basis are not provided for short-term instruments, unit investment trusts, or securities of foreign issuers

For securities bought in a foreign currency, we have provided estimated cost basis in United States Dollars (USD) by converting the foreign currency cost into USD based on exchange rates on the trade date of the purchase. For securities sold (or redeemed) in a foreign currency, we have provided the USD proceeds by converting the foreign currency proceeds into USD based on exchange rates on the trade date of the sale. If you acquired the foreign currency cost, or sold the foreign currency proceeds in exchange for USD in a separate currency transaction linked to the security transaction, then the trade date exchange rate we used is the spot rate at the time of the linked currency transaction. Otherwise, the trade date exchange rate we used is the end-of-day exchange rate. For tax reporting purposes, you may be required to determine your actual USD cost basis, proceeds, and gain/loss based on the exchange rates on the settlement dates of the applicable transactions. Consult your tax advisor for more information.

* This is important tax information and is being furnished to the Internal Revenue Service if you are required to file a return, a negligence penalty or other sanction may be imposed on you if this income is taxable and the IRS determines that it has not been reported
