Notes to Financial Statements

For the Years Ended December 31, 2011 and 2010

1. Organization and Significant Accounting Policies

Organization

NYCOMEC Corp. ("NYCOMEC"), a not-for-profit organization located in Old Westbury, New York, was established to create a forum for the New York College of Osteopathic Medicine (the "College"), its affiliated hospitals and other institutions to coordinate their collective efforts to enhance the quality of graduate medical education in the New York and New Jersey area.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. Management believes that the amounts recorded based on estimates and assumptions are reasonable and any differences between estimates and actual should not have a material impact on NYCOMEC's financial position.

Furniture and Equipment

Acquisitions of furniture and equipment in excess of \$500 are capitalized. Furniture and equipment purchased are carried at cost and those received through contributions are carried at fair value at the date of receipt. Depreciation is computed by the straight-line method over the estimated useful lives of the assets with a half year's depreciation in the year of acquisition.

NYCOMEC Corp.

Notes to Financial Statements

For the Years Ended December 31, 2011 and 2010

1. Organization and Significant Accounting Policies (continued)

Marketable Securities

Investments in equity securities with readily determinable fair values are reported at fair value. Investment income or loss (including realized gains and losses on investments, interest and dividends) is included in the excess of unrestricted revenues and other support over expenses unless the income or loss is restricted by donor or law. Unrealized gains and losses on investments are excluded from the excess of unrestricted revenues and other support over expenses unless the investments are trading securities. Presently, none of NYCOMEC's investments are considered trading securities.

Temporarily Restricted Net Assets

Temporarily restricted net assets are those whose use by NYCOMEC has been limited by donors. Net assets released from restrictions during the period and net assets remaining to be used at the end of the period were designated for use in the promotion of education and training in osteopathic medicine.

Revenue Recognition

Membership dues are recognized as revenue on an accrual basis over the membership period.

Contributions are reported at fair value on the date received. The gifts are reported as temporarily restricted if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported as net assets released from restrictions. Donor-restricted contributions whose restrictions are met within the same year as received are classified as unrestricted contributions in the accompanying financial statements.

NYCOMEC Corp.
