CORNING

The Corning Incorporated Foundation

Over the years, the Corning Incorporated Foundation has contributed more than **\$108 million** through its programs of giving. Resources are directed almost exclusively toward initiatives which improve the quality of life in and near communities where Corning Incorporated is an active corporate citizen. Currently, the Foundation annually fulfills approximately 136 grants totaling some \$3.0 million.

Support goes to institutions that are tax-exempt under Section 501 (c)(3) of the Internal Revenue Code and which are public charities as defined in Section 509(a) of the Code.

Educational

Selected public K-12 school districts, community colleges and four-year institutions of higher learning are the consistent beneficiaries of Corning Foundation support.

Corning's areas of involvement have included community service programs for students, curriculum enrichment, student scholarships, facility improvement and instructional technology projects for the classroom.

Cultural

Each year, the Corning Incorporated Foundation provides assistance to institutions such as arts organizations, libraries, museums and public broadcasting stations.

Community Service

The Corning Incorporated Foundation supports a variety of organizations that serve a broad base of constituents. Included in this category are hospitals and hospices, community foundations, youth and women's centers, YMCAs, local youth organizations and selected United Ways.

National Programs

The Corning Incorporated Foundation has a history of supporting selected organizations that promote national, and sometimes international, understanding and good will. The means that we endorse achieving these goals have included cultural endeavors, opportunities for improved quality of life, education, research and sharing of information.

Matching Gifts Program

Rolled out in 1958 to encourage employee giving, the Corning Incorporated Foundation Matching Gifts Program aids specific not-for-profit institutions, such as colleges and universities that operate for the public good.
