	Organizational EffectivenessAchievements Unlimited Foundation and Impact Foundation, (the "Foundations") recognize that many nonprofit organizations often lack expertise and financial resources to invest in critical organizational assessments, strategic planning and highly effective fundraising efforts to ensure their organization's effectiveness and sustainability over the long-term The Foundations partnered with Dakota Medical Foundation to provide support and promote education and training sessions for nonprofit partner organizations through the Impact Institute The Impact Institute has provided training to over 300 partner nonprofit organizations since its 2005 inception Nonprofit Board and Management Training Training boards and key management personnel to operate their organizations in a highly effective and efficient manner is a key education focus for the Foundations The Foundations have encouraged many area nonprofit organizations to attend the Impact Institute's various education and training programs Strategic Planning Training and Services The Impact Institute piloted a Strategic Planning Toolkit and Webinar Series in 2011 The pilot was developed in conjunction with La Piana Consulting into three 90 minute sessions and an accompanying toolkit Three nonprofits participated, with 100% of participants rating the webinar series with a score of 5 or 4 on a 0-5 point scale with 5 being the highest The webinar and toolkit are available on www impactgiveback org High Impact Fundraising Training Educating and training organizations to become effective fundraisers is a key program at the Impact Institute Professional trainers using highly structured and effective training methods and follow-up activities have provided training to Foundations, in partnership and collaboration with Dakota Medical Foundation, developed this program as the "capstone" for its series of education and training programs The program includes an organizational assessment and development plan, additional board and executive leadership training, plan implementation support and annual renewals Completion of the program is designed to build the capacity of executives to take their organizations from functioning well to superior performing, high impact organizations The inaugural program included the participation of the Impact Foundation, Dakota Medical Foundation and 12 other nonprofit organizations' board of directors and executive staff In May 2011, the inaugural class of 14 nonprofits received the High Impact Seal of Distinction Grant Writing The Foundations provide grant writing technical support to its partner nonprofit organizations aiming to increase resources for their programs and services Dakota Medical Charities provided a multi-year grant that initially funded this initiative in 2005 Impact continues to leverage those funds by assisting other nonprofit organizations with their development efforts through writing effective grant applications Grant writing efforts to date have resulted in 33 grants awarded totaling \$6,213,610 High Impact Philanthropy (HIP) The Foundations, in partnership with Dakota Medical Foundation, initiated this program to unite outstanding community funding organizations and private donors to research and discuss various societal problems and issues in the region with the goal of a common focus and more coordinated, effective strategies to achieve a greater impact in the community Impact Foundation serves as the fiscal host for the HIP initiative The HIP Initiative was launched in the spring of 2009 with support from the Otto Bremer, Bush and Dakota Medical Foundations The Impact Institute partnered with Mark Kramer, Founder and Managing Director of FSG, author of several influential articles and one of the leading experts in the field of philanthropy, to facilitate the HIP initiative The goal of HIP is to inspire funders to adopt a new approach to more strategically and collaboratively solve societal issues in the region The HIP steering committee is comprised of foundation, corporate and individual donors that invest over \$75 million annually to support various charitable endeavors in the region The steering committee's initial focus is to build the assets of youth living in Cass and Clay counties Dr Rathge of the North Dakota Data Center has conducted an inventory of all organizations in Cass and Clay counties that are working on youth asset building, including organizational budget size, youth asset building areas, measures of performance, and interaction with other organizations in the area The initial group of 15 organizations and community leaders came to a consensus to focus the HIP group's initial efforts on improving the internal and external assets of youth in the Fargo-Moorhead (FM) area The goals of the HIP Initiative are 1) Engaging youth, youth development organizations and others to develop a coordinated strategy to make the FM area a place where all youth can maximize their potential, 2) hold a Youth Development Summit, 3) release an environmental scan of organizations serving youth in the FM area that includes organization size, areas of focus, and collaboration activities, 4) develop a budget and identify an individual to coordinate, plan and implement the next phases for the HIP group A stakeholder conference was held in December 2011 with over 100 participants from 54 different youth organizations and agencies in the Fargo-Moorhead area Planning teams of cross-sector community stakeholders have been formed to accomplish this step/phase, and will be utilizing the Ready by 21 frame work from Forum for Youth Investment An initial community-wide blueprint that outlines results, indicators and action steps needed to create the conditions for all children to reach their maximum potential will be released in 2012
