Part IV Supplemental Information. Complete this part to provide the information required in Part I, line 2, and any other additional information.

Our organization's mission is to aid seriously ill patients and their families with non-medical expenses related to a hospitalization stay, such as meals, parking, housing, etc. We work with social workers from various hospitals in the Texas metropolitan areas to identify patients with such needs and provide funds ranging from \$50-\$350 per patient, depending on needs. Funding is given to the patients in various forms, which could be actual cash, Visa or Wal-mart gift cards, hospital parking chips, etc., so not all awards are given out in cash but all are directly valued at their cost (gift cards have a stated value, parking chips have a certain associated \$ amount, etc.); no discretion must be used in valuation. An application is submitted to the organization by each patient desiring funds, and the application goes through an approval process. Each approved application is logged and funding is recorded, so we are able to track the number of patients helped. In 2011, we provided assistance to 1,731 recipients with a total of \$201,666 in funding, which is an average of \$117 per recipient; however, as stated previously, each patient may receive a different amount up to \$350 maximum per patient depending on need.
