Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

For all our project partners, we require the following:

A yearly audit report by a chartered accountant

Periodic reports and photos

Forms such as case histories, child left home report, progress report and applications for college scholarships

We have regular monthly contact by phone, email and post. The home or its parent organization must have state sanctioned charitable status, such as FCRA status in India.

Beginning in 2010 World's Children contracted the services of a nonprofit in India called the Spandana Society to help us monitor, evaluate and communicate more effectively with the orphanages and hostels we support in India.

The 48 orphanages assisted by World's Children help WC publicize the availability of the scholarships. Another significant contributor to the scholarship process is a Nursing School, the E.T.C.M. Hospital School of Nursing in Kolar, India. This school offers recipients of scholarships through WC an additional discount of 50% off of their tuition. If a student has remaining fees, they can work off the fees at the E.T.C.M. hospital upon graduation.

Part V - Additional Information**Part II, Column (d) :**

Grants to all organizations included grants for child sponsorship to provide nutritious food, clothing, school uniforms and books, medical care, personal items and other necessities.

In addition to caring for children through our child sponsorship program in the amount of \$295,566, World's Children also performed special projects to improve the infrastructure for the children. We completed two wells, two toilet buildings, a new boys' dormitory, made repairs, gave computers, kitchen equipment, funded vegetable gardens and are currently building a new orphanage that will be completed in April of 2012. The orphanage construction is the biggest project we have done so far. \$90,300 went out for these projects in 2011. Also, \$1160 non cash awards were granted in the form of a flip video camera and flash drive to document the projects.

The special projects are described below for those organizations which recieved them. Most of the special projects grants were made in cash to each organization, which then purchased the items or had the work done.

All grants are accounted for on the cash basis of accounting.

accomplishments: World's Children is building a permanent orphanage for the Balavikasitha Orphanage in Hyderabad, India. We sponsor 32 children at this home. This home takes care of the most at-risk orphans, mostly brought to them by the police when they are found wandering the streets. No one wants to rent to these orphans so the donors of World's Children are building them a permanent home scheduled to be completed in 2012. This has been a three year project with disbursements for the building given in installments.

are found wandering the streets. No one wants to rent to these orphans so the donors of World's Children is building them a permanent home scheduled to be completed in 2012. This has been a three year project with disbursements for the building given in installments.

Scholarships: Scholarships averaging \$500/yr per student were provided to 70 college students, primarily from India, to attend colleges and vocational programs to study various topics including nursing, engineering, accounting, teaching and computer technology. These students now have the opportunity to pursue a viable career.

Special projects to improve the infrastructure for the children: We completed two wells, two toilet buildings, a new boys' dormitory, made home repairs, gave computers, kitchen equipment, and funded vegetable gardens.

The Healthy Child Handbook: World's Children created a handbook that we distributed to the orphanages we support to be a guide for the caretakers of the children to provide better healthcare and nutrition. This project took staff time of approximately 180 intern hours plus 370 staff hours to create the book.

In 2011, we sent out more than 50 copies of "The Healthy Child Handbook: A Guide to Childhood Wellness in Developing Countries". This book was designed to help orphanage administrators in South Asia in identifying and

preventing illnesses in the children they care for. We hope to distribute many more copies of this book. This book was written and compiled by an intern graduate in Public Health from Oregon State University and an employee who is receiving her master's degree in International Health from OSU. We are proud to have a strong relationship with OSU. We train 3-4 interns per year from OSU and eight volunteers from a special volunteer class offered through Oregon State University Public Health Department. The students can learn about the operations of our international charity while also contributing to the welfare of the children we serve.
