The 10% facts and circumstances test has been promulgated in Treasury Regulation Section 1.170A-9(f)(3). This regulation provides several circumstances in which an organization will be a public charity organization. Several factors indicate that the organization meets the 10% facts and circumstances. They are as follows:

- 1) The organization's government and public support exceeds 10%.
- 2) The organization's public support is 23%, 13 percentage points above the 10% threshold.
- 3) The organization has several major contributors that support the organization.
- 4) The organization's exempt purpose requires its governing body to have several board members who require major expertise and high levels of training to promote and achieve its exempt purpose.
- 5) The organization has several programs worldwide educating the world population on the achievements and breakthroughs of focused ultrasound medical treatments. The organization hopes that these programs would encourage a broader and more public spectrum of monetary support in order to increase the public percent support above 10%.
