The staff and trustees of Victoria welcome proposals from non-profit organizations in good standing that forward the mission and goals of the Foundation. Victoria Foundation grants are restricted to programs in Newark, New Jersey, except for environment and land acquisition grants that impact the state of New Jersey. **Organizations may submit proposals only once each calendar year.** Proposals that fit the current priorities within the Foundation's guidelines, and for which the Foundation has resources available, will be carefully reviewed by staff. The review process may include site visits and requests for further information. Twice a year, staff makes recommendations to board committees in each area of grantmaking interest, and board committees then make final recommendations to the full board.

Generally, grants are for one year and organizations are eligible for renewal grants based upon careful staff and trustee review of subsequent proposal submissions. Although some Victoria grantees have enjoyed annual general operating support for more than twenty years, this is unusual for new grantees, and organizations are encouraged to apply for start-up funds, expansion efforts, or one-time needs.

The Foundation funds only organizations that have been determined to be exempt from federal tax by the Internal Revenue Service. Organizations must have a letter from the IRS indicating that they are exempt under Section 501(c)(3) and specifying whether they are a 509(a)(1), 509(a)(2), or 509(a)(3) organization. No grants are made to individuals, either as individuals or through a sponsoring organization.

Please follow Victoria Foundation's preferred proposal preparation procedure described in the Proposal Outline section. The Foundation also accepts the New York/New Jersey Area Common Application Form. However, if you choose to use the Common Application Form, you must substitute the appropriate one-page Victoria Foundation Cover Sheet. Letters of inquiry are discouraged.

Please note that the Foundation cannot fund all projects that meet our program goals and objectives. Therefore, we encourage you to apply to other foundations in addition to the Victoria Foundation.

Deadlines, Copies, and Mailing: Victoria Foundation makes award decisions twice each year.

- For a decision in June, the submission deadlines for General proposals are: for current grantees (except schools) is January 15th and for new applicants (except schools) is February 1st.
- For a decision in December, the submission deadlines for General proposals are July 15th for current grantees and August 1st for new applicants.
- Schools must submit by February 1st for funding beginning in September.
- All Summer Programs must submit by September 8th for the following June.

All proposals must be in the Victoria Office by 5:00 p.m. on the deadline day. If

the deadline dates do not fall on a normal business day, the proposals should reach Victoria Foundation on the first business day following the deadline.

Proposals that are not complete, or which are received after the deadline, will not be considered. Please mail or deliver one copy of your proposal. Please do not transmit proposals by fax or email. Both mail and deliveries should be addressed to:
