Also complete this part to provide any additional information.

Part IV, Line 2b - Escrow Liability Arrangement Explanation

Pennsylvania law requires certain portions of revenue from slot machines at Pennsylvania racetracks to be used for horse racing purses and pension and health benefits for horsemen and horsewomen. The Association acts as a fiduciary in the collection and dispersal of these funds. The funds are required to be maintained in separate accounts and are held for the benefit of the horsemen and horsewomen.

Part XIV Supplemental Information (continued)

Part X - FIN 48 Footnote

The Association is a non-profit organization which is exempt from federal income taxes under Section 501(c)(5) of the Internal Revenue Code. The standards require an assessment of the Association's exposure to income taxes at the entity level as a result of uncertain tax positions taken in current and previously filed tax returns. Examples of tax positions taken at the entity level include the continuing validity of its 501(c)(5) status, potential unrelated business activities and other tax positions that could result in income taxes to the Association upon examinations by taxing authorities. If the Association presented financial statements in accordance with generally accepted accounting principles, any tax benefits associated with uncertain tax positions that are in excess of a realization threshold would be recorded as a liability for unrecognized tax benefits in the financial statements, along with any associated interest and penalties. Presently, management believes that it is more likely than not that its tax positions will be sustained upon examination, including any appeals and litigation, and therefore believes that the Association has no exposure to the income taxes from uncertain tax positions.
