3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. 4a (Code:) (Expenses \$ 98,678 including grants of \$ 20,350) (Revenue \$ 67,332)

PRESERVATION-The Foundation works to preserve endangered buildings and sometimes acquires properties and places easements on the property before re-sale. In some instances, the Foundation undertakes stabilization or restoration work before re-selling the property. The Foundation owned six historic properties at the beginning of 2011 but transferred ownership of one property during the year. The Foundation administers two funds dedicated to preservation and restoration activities--the Masterson Fund and the Whatley Fund. The Foundation serves in an advisory capacity to the Natchez Preservation Commission and works with the city to insure that public and private projects meet historic preservation guidelines. On a daily basis, the Foundation advises and assists architects, contractors, developers, craftsmen, organizations, and the general public on proper preservation and restoration methodology and on the design of new buildings to make them compatible within a historic context. The Foundation also assists citizens, accountants, lawyers, bankers, and developers on local, state, and federal issues and benefits related to the acquisition, development, and ownership of historic properties. The Foundation supports other non-profits by providing office and meeting space to organizations with common objectives, including (1) Natchez Downtown Development Association, (2) Natchez Green Alliance, (3) Natchez Historical Society, and (4) Natchez National Historical Park.

4b (Code:) (Expenses \$ 107,397 including grants of \$) (Revenue \$ 86,106)

EDUCATION-Information related to Natchez regional history, genealogy, architecture, and decorative arts is provided on a daily basis to local citizens, governmental and other organizations, visitors, scholars, writers, genealogists, historical associations, museums, filmmakers, and others. The staff lectures about Natchez, general history, historic preservation, architecture, landscape, gardens, and decorative arts to local citizens, local and visiting organizations, and to tourists from out of town. The staff arranges visits and conferences that highlight Natchez history, historic preservation, architecture, landscape, gardens, and decorative arts. The Foundation opens its headquarters five days a week, on weekends with special programming, or by request. The Foundation also displays exhibits related to the themes previously cited. The Foundation operates a reproduction licensing program, which raises public awareness of the historical significance of Natchez and provides impetus for cataloguing the city's decorative arts. In 2011, staff members continued to invest substantial time in writing text and providing images to the City of Natchez for a "Museum of the Streets" project begun in 2009 in conjunction with a walking trails project. The Foundation also allows other organizations to use its facilities for educational programming.

4c (Code:) (Expenses \$ 31,407 including grants of \$) (Revenue \$ 1,927)

COLLECTIONS-(Foundation Archives, Artifacts, and Public Records)-The Foundation has a significant collection of important archival material, museum artifacts, and public records related to the history of the Natchez region. The Foundation's collections include books, photographs, documents, site files, subject files, artifacts, and public courthouse records. The archives and public records are made available on a daily basis to the public under the supervision of the Foundation staff. The Adams County Board of Board of Supervisors has entrusted the Foundation with the care and management of public courthouse records dating to the 18th, 19th, and 20th centuries. The county began locating circuit court records to the Foundation headquarters in 1992, and the program expanded in 2008 to include Chancery Court records. The county provides a small amount of funding for records management. The Foundation has sponsored a program in conjunction with universities and the National Park Service to preserve and catalogue these valuable historic documents. Staff members continually process the courthouse records to preserve them and to build a comprehensive computer database to make them more accessible to the public.

Part 1, 33-- Following accepted museum and archival practices and recommendations of professional organizations like the American Association of State and Local History and the American Association of Museums, the Historic Natchez Foundation elected in 2009 not to capitalize its collections (SFAS-116) unless an item was acquired specifically for re-sale to produce income for the organization's charitable works. Prior to making this change in 2009, the Foundation capitalized some collections, which continue to be reflected on Schedule D, Part VIII.

These specific conflicts relate to issues that include ownership of intellectual property, receipt of personal compensation for services provided by the Foundation, and collecting Natchez-related archives without first offering the material to the Foundation. The full board of trustees makes decisions related to compensation based on comparability data, merit, experience, and the annual budget. The Historic Natchez Foundation is a member organization of both the National Trust for Historic Preservation and the American Association of State and Local History, both of whom periodically undertake compensation surveys for historic preservation organizations, historical societies, and museums. The Foundation has no provisions for annual raises or cost of living salary adjustments. The executive director has 35 years of experience in the field of historic preservation and has been a full-time employee since 1992.
