**Part V Supplemental Information**

Complete this part to provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method; amounts of investments vs. expenditures per region); Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information (see instructions).

Except for the two organizations referenced in Part II, BrightPoint impacts other regions outside of the U.S. by giving grants to the U.S. based charity (501c(3)) of the receiving organizations. These U.S. based charities then forward the grants to their respective organizations outside the U.S. In 2011, \$670,000 was granted to assist children outside of the U.S. through their U.S. based counterparts. This amount is not reported in Part 1 because these funds were not given directly to organizations outside of the U.S. as specified in the instructions.

Part I, Line 2. Process for monitoring grants paid outside of the U.S.

Money is wired monthly to each of our partners outside the U.S. along with a remittance identifying the amount of the funding being sent for each program being administered by the partner. The partner will then send or take by hand the money to each of the homes/orphanages/schools that BrightPoint supports. In situations where we are paying education fees, we wire the funds directly to the school where we can. If not, our partner will hand take the funds to the school. We request receipts for the grants in these cases. Where we need to buy food, clothing, desks, etc., we will try to pay the supplier directly for the goods received and obtain a receipt in return. In this way, we limit the number of persons touching the funds. Finally, we expect each of our partners to provide us with monthly numerical reports on the use of the funds. If we are not satisfied with where the money has been spent, we will review the situation with our partners, and if necessary, discontinue our support for that particular program.

Additionally, for our key program locations, we periodically make international on-site visits to review programs' effectiveness and evidence of appropriate program spending. These reviews are discussed with our partners.

Part 1, Line 2: Process for monitoring grants paid:

Money is mailed or wired monthly to each of our partners in the United States along with a remittance identifying the funding being sent for each of the programs

we are supporting for that partner. The partner will then send/take the money to each of the homes/schools/orphanages that BrightPoint supports. This is more than likely to places

outside the U.S. For those U.S. partners that administer the activities of the orphanage/school outside of the U.S., no further oversight is performed. It is the responsibility of the

particular partner to see that the funding is being used wisely. Where we are involved more closely with the activities of the orphanage/school (such as in Kenya), we receive

and review monthly reports that describe where the funds were spent for the previous distribution of funds. If we are not satisfied with how the money has been spent,

we will review the situation with our partners, and if necessary, discontinue our support for that particular program

The Whistleblower policy is prominently displayed in the breakroom in our small office. All employees would have the opportunity to be reminded of the policy weekly. Additionally, each employee must sign a copy of the Policy acknowledging that they have read and understood its implications

Form 990. Part VI, Section B, line 15.

Compensation for the Executive Director position (there are no other paid officers and by IRS definitions, we have no other key employees other than the Executive Director) was discussed and approved at the board level. For 2011 salary, a 2010 Wage and Benefits Report for the non-profit industry was used as the starting point for salary discussions. The Executive Director's salary was determined to be in the 75th percentile of similar positions for a large city non-profit within the revenue range of BrightPoint (> \$500,000 and less than \$2,000,000). Other benefits were determined using the study also.
