In-Kind Donation

Angels at Risk receives substantial in-kind donations through services offered by various individuals, without whom our programs would not be possible.

These include Group Counselors, Therapists and Assistants. The volunteer factor is incalculable. The dedication and devotion from individuals is astonishing. The web of both regular and irregular volunteers offers Angels at Risk substantial and steadfast support financially and programmatically. This is immeasurable. Also, legal services, classrooms, security, office space and general help.

These would have had to have been purchased if not donated. We valued these services at between \$227,000 to \$240,600 during 2011.

Whistleblower and Document retention & destruction policy

Nothing formal has been documented as yet. The Executive Director is the only employee other than a few individuals that have been employees for brief periods. Therefore, there has not been a pressing need for these policies to be formalized.

However, the policies are in the process of development and should be presented to the Board for approval in the near future.
