BY-LAWS OF THE FOUNDATION FOR PERIPHERAL NEUROPATHY

(As amended and restated on April 1, 2011)

ARTICLE I NAME

The name of the corporation shall be The Foundation for Peripheral Neuropathy ("Corporation"). Subject to the remaining provisions of this Article, the name of the Corporation shall remain "The Foundation for Peripheral Neuropathy" in perpetuity and the Board of Directors of the Corporation shall not attempt or otherwise cause the name of the Corporation to be changed; provided, however, that notwithstanding the foregoing provisions of this Article to the contrary, the Board of Directors of the Corporation shall be permitted to change the name of the Corporation if the Board of Directors changes the Mission of the Corporation pursuant to the provisions of subsection 3(b) of Article II of these By-laws.

ARTICLE II PURPOSES

- Section 1. Not for Profit. The Corporation is organized and shall operate as an Illinois not-for-profit corporation, and shall have such powers as are now and may hereafter be granted by the General Not-for-Profit Corporation Act of the State of Illinois.
- **Section 2.** Purposes. The Corporation is organized to operate exclusively for the purposes set forth in its Articles of Incorporation, Mission Statement (attached hereto as Exhibit A) and Guidelines (attached hereto as Exhibit B), including the promotion of causes that seek to better prevent, diagnose, more effectively treat and, eventually, cure peripheral neuropathy, and that provide increased awareness of promising treatment options for peripheral neuropathy, and the making of distributions to organizations that promote the same causes and qualify as exempt organizations under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code").

Section 3. Mission.

(a) Subject to the provisions of subparagraph (b) of this Section 3, the Mission of the Corporation shall remain as it is set forth on Exhibit A hereto in perpetuity and the Board of Directors of the Corporation shall not attempt or otherwise cause the Corporation to change its Mission.

- (b) Notwithstanding any provision of these By-laws to the contrary, in the event a proven cure for peripheral neuropathy is found, the Board of Directors of the Corporation shall be permitted to amend the Articles of Incorporation of the Corporation and these By-laws to change the Mission and purposes of the Corporation to support causes which help dramatically improve the lives of people living with neurological disorders by focusing on discovering more effective treatment options and finding a cure for neurological disorders, including the promotion of causes that seek to better prevent, diagnose, more effectively treat and, eventually, cure neurological disorders, and that provide increased awareness of promising treatment options for neurological disorders, including, for such purposes, the making of distributions to organizations that promote the same causes and qualify as exempt organizations under Section 501(c)(3) of the Code.
- **Section 4.** Rules. The Corporation and all persons acting for and on behalf of it shall be conclusively bound by the rules set forth in its Articles of Incorporation and these by-laws.
- Section 5. Charitable Lead Trust Income. No officer or director of the Corporation shall have any voice or vote regarding the ultimate disposition of funds directly or indirectly received by the Corporation from any charitable lead trust (also known as a 'charitable income trust'), as described in Section 2522(c)(2)(B) of the Internal Revenue Code of 1986 (a 'Charitable Lead Trust'), established by such officer or director. In the event a Charitable Lead Trust established by an officer or director of the Corporation shall contribute funds directly or indirectly to the Corporation, such funds shall be segregated into a separate account, the disposition of which shall be directed by the other officers and directors of the Corporation for the purposes set forth in the Articles of Incorporation of the Corporation, subject to the provisions of this Article.

ARTICLE III REGISTERED OFFICE AND AGENT

The Corporation shall have and continuously maintain in the State of Illinois a registered office and a registered agent whose office shall be identical with such registered office, and may have such other offices within or without the State of Illinois as the Board of Directors may from time to time determine.

ARTICLE IV BOARD OF DIRECTORS

Section 1. General Powers. The affairs of the Corporation shall be managed by a Board of Directors, which shall supervise, control and direct the business and affairs of the Corporation; shall determine its policies or changes within the limits of these by-laws, the Articles of Incorporation and as directed by the Mission Statement; shall actively promote its purposes as identified within the Articles of Incorporation and the Mission Statement; and shall have discretion in the disbursement of its funds. The Board of Directors may adopt such rules and regulations for the conduct of its business as shall be deemed advisable and may, in the execution of the powers granted, appoint such agents as it may consider necessary.

- Section 2. Composition, Tenure, and Qualifications. A majority of the directors of the Corporation shall elect the Board of Directors which shall be comprised of not less than seven (7) nor more than twelve (12) directors, as fixed from time to time, within such minimum and maximum, by a majority of the directors of the Corporation. Effective as of April 1, 2011, the directors shall be divided into three classes, as nearly equal in number as reasonably possible, as shall be designated by resolution adopted by a majority of the total number of directors then in office. The initial term of the first class of directors shall be one (1) year (to expire at the 2012 annual meeting of the Board of Directors); the initial term of the second class of directors shall be two (2) years (to expire at the 2013 annual meeting of the Board of Directors); and the initial term of the third class of directors shall be three (3) years (to expire at the 2014 annual meeting of the Board of Directors; each, an "Initial Term"), Upon completion of each Initial Term, directors shall be elected to succeed those directors whose terms expire and such elections shall be for three-year terms of office, each to expire at the third succeeding annual meeting of the Board of Directors after the election. Any individual who has previously served as a director of the Corporation shall be eligible to be re-elected as a director of the Corporation, regardless of whether or not such re-election shall be for a term that is consecutive to the expiration of that individual's prior term of office. Each director shall continue in office until his or her successor is duly elected or appointed, and qualified. Directors need not be residents of Illinois, U.S. citizens or officers of the Corporation.
- **Section 3. Initial Directors.** The initial Board of Directors shall be the persons specified in the Corporation's Articles of Incorporation.
- Section 4. Vacancies. A majority of the directors of the Corporation shall appoint successor directors to fill any vacancy occurring in the Board of Directors or any newly created directorships resulting from an increase in the number of directors. A director appointed to fill a vacancy for the unexpired term of his or her predecessor shall serve for the unexpired term of his or her predecessor in office and until his or her successor shall have been appointed and qualified.
- Section 5. Regular Meetings. The Board of Directors shall hold an Annual Meeting for such business as the Board of Directors shall deem appropriate. The Board of Directors may hold regularly scheduled meetings for any other purpose as the Board of Directors shall deem appropriate. The Board of Directors may provide by resolution the time, date and place, either within or without the State of Illinois, for such Annual Meeting and other regular meetings without other notice than such resolution.
- Section 6. Special Meetings. Special meetings of the Board of Directors may be called by or at the request of the President or any two (2) directors of the Corporation. The person or persons authorized to call special meetings of the Board of Directors may fix any place, either within or without the State of Illinois, for the special meeting called by them.
- Section 7. Notice. Notice of any special meeting of the Board of Directors shall state the time, date and place of the meeting and shall be given at least three (3) days prior to the date of such meeting, by written or printed notice delivered personally, by mail, by electronic mail ("e-mail") or by facsimile transmission to each director at his or her address as shown in the records of the Corporation; provided, however, in the case of a meeting held pursuant to

Article IV, Section 9 below, notice may be given no less than twenty-four (24) hours prior thereto. Any director may waive notice of any meeting. The attendance of a director at any meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting.

- Section 8. Quorum. A majority of the directors in office shall constitute a quorum for the transaction of business at any meeting of the Board; provided that, if less than a majority of such number of directors are present at any meeting of the Board of Directors, a majority of the directors present may adjourn the meeting from time to time without further notice. The act of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, unless the act of a greater number is required by law, the Articles of Incorporation or these by-laws.
- Section 9. Meeting by Communications Equipment. Members of the Board, or of any committee designated by the Board, may take any action permitted or authorized by law, the Articles of Incorporation or these by-laws pursuant to meeting through the use of a conference telephone or other communications equipment by means of which all persons participating in the meeting can communicate with each other. Participation in a meeting pursuant to this section shall constitute presence in person at such meeting.
- Section 10. Informal Action. Any action which is permitted or authorized by law, the Articles of Incorporation or these by-laws to be taken at a meeting of the Board of Directors, or any other action which may be taken at a meeting of the Board of Directors, may be taken without a meeting if a consent in writing, setting forth the action taken, shall be signed by all of the directors entitled to vote with respect to the subject matter thereof. Any such consent shall have the same force and effect as a unanimous vote at a duly called and constituted meeting of the Board of Directors.
- Section 11. Resignation. Any director may resign at any time by giving written notice to the Board of Directors, the President or the Secretary of the Corporation. A resignation need not be accepted in order to be effective.

Section 12. Removal.

- (a) Except as otherwise provided in subparagraph (b) of this Section 12, any director may be removed by a majority of the directors of the Corporation whenever in the sole and unquestionable judgment of the directors the best interests of the Corporation would be served thereby.
- (b) Notwithstanding any provision of these By-laws to the contrary, during any calendar year in which the Jack Miller Family Foundation, an Illinois not-for-profit corporation, or any legally recognized successor organization ("JMFF"), is the "primary funder" of the Corporation, Jack Miller may not be removed as a director of the Corporation. For purposes of these By-laws, JMFF shall be considered the "primary funder" of the Corporation if during the immediately

preceding calendar year, JMFF's aggregate contributions to the Corporation during such period equaled at least thirty-three and one-third percent (33 1/3%) of the gross contributions (not including investment income) received by the Corporation during such period.

ARTICLE V OFFICERS

- Section 1. Officers. The officers of the Corporation shall be a Chairman, a President, one or more Vice-Presidents (if determined by the Board of Directors), a Secretary and a Treasurer. In addition, the Board of Directors may elect or appoint such other officers as it shall deem desirable, who shall have authority to perform the duties prescribed from time to time by the Board of Directors.
- Section 2. Election, Tenure, and Qualifications. The Chairman (other than Jack Miller), President, Vice-Presidents, Secretary and Treasurer of the Corporation shall be elected annually by the Board of Directors at its Annual Meeting, or as soon thereafter as practicable. The Chairman (other than Jack Miller), President, Vice-Presidents, Secretary, and Treasurer shall serve two-year terms commencing at the conclusion of the Annual Meeting at which they are elected and continuing until their successors have been duly elected and qualified. There shall be no limit on the number of consecutive terms an individual may serve as an officer. An individual may hold more than one office simultaneously.
- Special Provision for Jack Miller. Jack Miller shall be the initial Section 3. Chairman and he shall serve as Chairman until his resignation, death or Permanent Disability. For purposes of these By-laws, the term "Permanent Disability" shall mean, with respect to Jack Miller, either (a) the issuance of an order by a court of competent jurisdiction declaring Jack Miller to be an incompetent or a disabled person and appointing a conservator or a guardian for such his person or property, or (b) the written certification by "three (3) Proper Physicians" (as defined herein) issued within two (2) years of attending Jack Miller, stating that Jack Miller, due to physical, mental or emotional disability, is not able to manage business affairs in a manner similar to that of individuals of prudence, discretion and intelligence. Notwithstanding any provision herein to the contrary, Jack Miller shall not be considered to have a Permanent Disability solely by reason of having a physical disability which does not otherwise cause him to be substantially unable to perform his customary duties for the Corporation. As used herein, the term "three (3) Proper Physicians" shall mean (A) Jack Miller's primary care physician, (B) a physician chosen by such person, which physician shall be certified by a recognized Medical Specialty Board and shall not be related by blood or marriage to such person and (C) a physician chosen by the aforesaid two physicians, which physician shall be certified by a recognized Medical Specialty Board and shall not be related by blood or marriage to such person.
- **Section 4.** Resignation. Any officer may resign at any time by giving written notice to the Board of Directors, the President or the Secretary of the Corporation. A resignation need not be accepted in order to be effective.

- Section 5. Removal. Any officer may be removed from office by an affirmative vote of a majority of the Board of Directors whenever, in its judgment, the best interests of the Corporation would be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed; provided, however, that notwithstanding any provision of these By-laws to the contrary, in no event may Jack Miller ever be removed as Chairman of the Corporation.
- Section 6. Vacancies. A vacancy in any office shall be filled by action of the Board of Directors at the next regular or special meeting thereof. An officer elected to fill a vacancy shall serve for the unexpired term of his or her predecessor, and until his or her successor shall have been duly elected and qualified, or until his or her death, resignation, or removal.
- Section 7. Chairman. The Chairman of the Board of Directors when present shall preside at all meetings of the Board of Directors, the Executive Committee and other meetings as required. The Chairman of the Board of Directors shall perform such other duties commonly incident to, and commensurate with, the office of Chairman of the Board of Directors and shall perform such other duties and have such other powers as the Board of Directors shall designate from time to time including, but not limited to, the following:

 - (g) Oversee the hiring, evaluation, and compensation of the chief executive; and work to develop a succession plan for the chief executive's position for example, by making sure that other staff members have the capabilities they need to lead the Corporation;

- (h) Guide the work of the Board to secure funds for the organization by overseeing the development of fundraising policies, encouraging and supporting the fundraising efforts of the development committee and individual directors, soliciting contributions from directors and selected outside contributors, and setting an example by contributing his or her own funds to the organization; and
- (i) Speak for the Board in the event of a controversy or crisis; oversee the development of communications policies; and work to promote the work of the Corporation in conversations, speeches, interviews, and other day-to-day activities.
- Section 8. President. The President shall be the principal executive officer of the Corporation, and shall, in general, supervise and control all the affairs of the Corporation. The President shall preside at all meetings of the Board of Directors. The President may sign, with the Treasurer or any other proper officer of the Corporation authorized by the Board of Directors, any deeds, mortgages, bonds, contracts or other instruments which the Board of Directors has authorized to be executed, except documents the execution of which shall be expressly delegated by law, the Articles of Incorporation, these by-laws, or the Board of Directors to some other officer or agent of the Corporation. The President shall handle the administrative and day-to-day operation of the Corporation, and shall, in general, perform all duties customarily incident to the office of president and such other duties as may be prescribed from time to time by the Board of Directors.

The duties of the Secretary may be assigned in whole or in part to the President.
- Section 11. Treasurer. The Treasurer shall be the principal accounting and financial officer of the Corporation and shall have charge of and be responsible for the maintenance of adequate books of account for the Corporation; shall supervise and be responsible for custody of all funds and securities of the Corporation and for the receipt and disbursement thereof; shall deposit all funds and securities of the Corporation in such banks, trust companies or other depositories as shall be selected in accordance with the provisions of these by-laws; and shall, in general, perform all of the duties customarily incident to the office of treasurer and such other

Each such committee, to the extent provided in said resolution, shall have and exercise the authority of the Board of Directors in the management of the Corporation; but the designation of such committees, and the delegation thereto of any authority, shall not operate to relieve the Board of Directors, or any individual director, of any responsibility imposed upon them by law. A member of such committee may be removed by the Board of Directors whenever, in its judgment, the best interests of the Corporation would be served by such removal.
- Section 2. Other Advisory Bodies. The Board of Directors, by resolution adopted by a majority of the directors in office, may create and appoint two or more persons to a commission, advisory body or other such body which may or may not have directors as members, which body may not act on behalf of the Corporation or bind it to any action but may make recommendations to the Board of Directors or to the officers. A member of such commission, advisory body or other such body may be removed by the Board of Directors whenever, in its judgment, the best interests of the Corporation would be served by such removal.
- Section 3. Term of Office.
