To promote conservation, preservation and protection of endangered Pygmy Hippos in Sapo National Park, Liberia.

Dates of Reports by Grantee

Due within one year of the date of the grant.

Any Diversion by Grantee

None.

# **Resource Capital Funds Foundation**

# Basic IRS Distribution Requirements Kundinger, Corder & Engle, P.C. December 31, 2011

- 1 Must distribute, for charitable purposes, 5% of fair market value of investments each year.
  - a. Foundations have 12 months after the end of the year to make the required distribution
  - b. "Charitable distributions" include certain general and administrative expenses
  - c. The required distribution is reduced by excise taxes on investment income
  - d. Fair market value is calculated based on a monthly average during the year, less an IRS allowance of 1.5% for "cash held for charitable purposes".
- 2 The actual calculation of 2011 undistributed income, which is required to be paid in 2012, is:

2011 Average monthly fair value of assets Less 1.5% IRS allowance for "cash held"	\$	1,256,165 (18,842)
Net value of assets	\$ =	1,237,323
Minimum payout requirement (5% of above) Reduced by 2011 excise tax	\$	61,866 (887)
Required distribution by December 31, 2012	\$ _	60,979

3 The recommended minimum distribution for 2012 is:

Required distribution (see above)	\$	60,979
Amount applied from 2011 qualifying expenditures (per tax return)	_	(27,463)
Adjusted minimum required distribution to be made in 2012		33,516
Add recommended reserve (note 1)	_	3,000
Recommended minimum qualifying distribution		36,516
Less estimated other charitable expenses for 2012 (2011 actual)	_	(1,343)
Calculated minimum required payments to charities in 2012	\$	35,173

Note 1. A "permanent reserve" is recommended to provide some leeway in the event of IRS disputes regarding stock valuation or allocation of expenses, and because of the severity of the penalties for "failure to distribute" the required minimum amounts.
