Capital.Gains Distributions: If you own shares of the Sanford C. Bernstein Fund, Inc., you may have received an annual capital. gains distribution (different from the capital gains or losses on securities sold, which are listed in this report). Long-term capital.gains distributions are a separate item on the I.R.S. forms, and appear on the Summary-of-Key-Items report.

Zero.Cost Transactions: If you transferred securities to Bernstein for which the purchase price was unavailable, the total capital-gains figure that appears on this report needs to be adjusted. Any such transactions are segregated on the Capital-Gains report, with the cost entered as zero. You will need to update the report data with the correct purchase information.

This information should be reviewed by your tax advisor or accountant.
