28 We helped dog owners and guardians keep their animals when facing challenges of their own by providing pet deposits to those who have lost their homes and have to move and want to keep their pets, we provide them refundable pet deposits (for both cats and dogs) and assist them in locating pet friendly rental opportunities. For those dog owners or guardians that must give up their pets we assist them in re homing their dogs by posting them on our web page and assisting the owner in screening and home checks for the new homes. Before we do this we encourage the pet owners to spay/neuter all up for adoption and we assist with this on a case by case basis. We do not post any animal on our web page that is not spayed or neutered or current on vaccinations. For those unable to do this for their pets we assist as we can or find others to assist getting the re homed dogs basic medical care before re homing. We problem solve with frustrated pet owners who want to keep their pets but are lacking in knowledge of how to find local resources to help them with their dog's temperament challenges. Dogs that begin to exhibit aggression or separation anxiety need to get help before a new owner/guardian can take over the care of this dog. Putting a dog exhibiting these issues in a shelter is a death sentence for the dog. Often behavior improvement is achieved by providing resources and reassuring people when they are under a great deal of stress themselves that attention, time and focus with the proper resources and information can resolve many difficulties they are facing. Dogs want to please and if they are provided training and time and attention (and gentle discipline) they will adjust and become a loving well adjusted pet. A person who knows the dog is better equipped to provide this than a new owner and we try to get this worked out before the dog is re homed. We have volunteer trainers available to assist our rescue dogs. Scooter's Pals is all volunteer and we take no salaries nor any expenses for our work.
