5. Ensure the villagers basic clothing needs are met.

6. Educate the community on the basic maintenance and repairs of homes and schools in the village.

7. Provide opportunities to those individuals to improve their standard of living whom otherwise would not have the benefits we take for granted.

8. Provide life-changing experiences for our volunteers. Through their participation, they will learn the value of service, selflessness, tolerance and diversity.

These benefits are provided through trips by personnel to villages in Mexico and other Central American countries. The visits to deliver the goods and services to these villages are done periodically by various people, including Trustees, all of which are volunteers. Each trip is led by a Trustee, that is experienced with the area being visited and helped. The Organization plans approximately four trips per year to these villages. The trips have been conducted by other individuals, in the past, but the organization plans to expand these efforts through donations of money, goods and services from the general public.
